## THE SEVENTH WYOMING STATE TRAPSHOOT

*Wind River Mountaineer*  
July 21, 1922

### PIGEON CRACKERS ON DECK

The members from various trap shooting clubs of the state have been holding their annual meeting in the city this week and although Lander was shot up considerable by the hot air volleys of political spouters-both the Republican district meeting and the Progressive county convention were held here, the outdoor sport with the shot gun attracted more attention than the indoor sport with their popgun politics.

The full name of this bunch of real red blooded Americans is the Wyoming State Sportsmen's Association and the Lander Rod and Gun club is the controlling spirit under whose protective wing the boys from foreign parts are nestling.

There will be three days of powder burning atmospheric pressure at the Fair Grounds, Wednesday, Thursday and Friday which will be shot full of holes according to the dope sheet handed our printer's devil, the following paragraph might be perused: "The American Trapshooting Association rules will govern this meet and the scores on the 16 yard single targets, on doubles, and on handicap targets will be included in the official record. The American Trapshooting Association has contributed \$100.00 in trophies and \$61.00 in cash to the tournament.

All loads are subject to inspection by shoot officials. Any shooter found using shells, which exceed the maximum powder or shot specifications, will be scratched from this event, and will forfeit any and all entry options and purse monies. We have stocked Estate and Rio shells for this shoot.

**SPENT SHELLS:** In order to protect the shooter on the firing line, no one will be permitted to pick up empty shells on the trap field. If you wish to keep your empties, do not let them hit the ground. Laramie Trap Club encourages all shooters to retain their empties and place them in the trash receptacle.

**PRACTICE:** Practice \$6.00 per 25. Traps will open one hour prior to registered shooting each day. The management reserves the right to close the Practice Traps during Events 4, 5, & 6 if needed for the shoot program. Notice of closure will be posted in advance.

**COMMON PERCENTAGE LEWIS:** A division of the Entries by classes. (A Class is the division of the total number of Entries by the number of Classes as specified in the Shoot program). If there were 99 Entries and the program states that there are three Classes, each class would contain 33 shooters.
