From the desk of Chief Chuck Bergeron

There seems to be an increase of burning materials other than yard waste within The Village Limits.

Please note that Sheridan Village ordinance prohibits the burning of anything other than yard waste. Yard waste consists of leaves, grass clippings, fallen branches, etc.

Village ordinance allows yard waste to be burned on private property only, during day light hours, and under the supervision of an adult. At no time shall it be lawful for trash or building materials to be accumulated or burned within village limits.

Thank you.
