

All American Pageant Schedule 2024

Thursday October 10th Schedule

1. Portraits:

Anyone that purchased portraits on the white background, this is when you do it. Please make needed arrangements. Each queen can bring up to 5 outfits of their choice. The background will be taken down after this time slot is over. You must be paid in full, before your photographs will be taken.

During the pageant, only the queens that are placing an order need to be photographed on the white background. After the pageant, all winners need a photograph on the background for Pat, but no obligation to purchase.
