

TRAINING PROGRAMME ON COMMUNICATION SKILLS, SOFT SKILLS AND LIFE SKILLS BY NAANDI FOUNDATION AND MAHINDRA PRIDE CLASSROOM

Vignan Pharmacy College organized one week training programme on communication skills, soft skills and life skills for Pharmacy students from 25.06.2018 to 02.07.2018. During this training the students were taught and trained on the various aspects of time management, money management and team management concepts. The students enthusiastically participated and learned about effective communication skills and how to get ready for interview preparation. The session also had group discussions and activity based learning about team work and social responsibilities.

Naandi education programmes focus on improving the quality of education in schools and colleges across the country. Naandi also works with more than 12,000 tribal farmer families in the Araku Valley region of Andhra Pradesh providing technical support, forward and backward linkages for producing organic and fair trade certified coffee. Naandi also works with underprivileged youth across the country under the Mahindra Pride School intervention training them in various vocational skills including BPO, hospitality and retail ensuring employment to all. Ms.Srilakshmi State Head-A.P for Naandi foundation and trainers Mr.Sudhakar and Mr.Tapaswi interacted with students and participation certificates were issued to the students. Principal Dr.P.Srinivasa Babu and Placement team congratulated the students and felicitated the members of Naandi foundation.
