

Indian Lake Yacht Club

March 2019

Hello Indian Lakers!

Here is your 2019 ILYC Membership and Boat Registration Form, a sure sign of spring after a cold snowy winter. Good news - another enjoyable summer at the lake awaits! Please fill out and return the form soon so you have your new membership card sticker and boat decals when you are ready to launch your boats. Thanks.

- ✦ We are looking forward to another superb Racing Season with some great Regattas, as well as hosting our traditional fun events like the Ice Breaker Cocktail Party (see below), Pancake Breakfasts, and some newer traditions, the Cardboard Boat Race / Ice Cream Social and the increasingly popular Cocktail Bingo. We are also considering suggestions that have come in during the offseason. Look for our calendar of events in the first Bilgewater Bulletin.
- ✦ The ILYC Pontoon trailer will be available for use beginning April 15th (if the snow is gone!) The Blackmonds generously allow us to use their property. Please be respectful and use the trailer at reasonable hours and return ASAP so other members can use it.
- ✦ The ILYC ramp is for members only – also the Marina, or any person launching for you, must be a member. This is necessary to keep our membership protected. Your card with 2019 sticker & 2019 vessel decals should be ready to be shown upon request.

We hope to see you at Indian Lake this summer having fun at the ILYC!

Best Regards,

Steve Comstock

Commodore ILYC

Donation Challenge 2019

Hello Fellow Indian Lakers!

Thanks to your donations last year, we were able to accomplish much to help save, preserve and improve your Indian Lake Yacht Club clubhouse, including repairing the foundation on 2 sides, the new roof and soffits, new siding and many other necessary infrastructure repairs. A list of all of the generous donors were featured in a Bilgewater Bulletin the latter part of the season. We thank you again for your generosity!

With your help, we hope to continue with many of the still needed upgrades and repairs. We plan to have a new gas tank in place so we can continue with our gas service for the lake. We need to finish the flooring work, our refrigerator and freezer are shot. Only one of our 2 pancake griddles is usable and there are several other things we need to stay functional and healthy. So once again we ask for your support and are issuing the same challenge as last year.

The dockside gas, candy and pop, the sailing regattas, the boating safety classes, the fun social events for families and kids of all ages, the Bilgewater Bulletin, are all unique to our lake and the things that make summer even more special! Thanks again for your assistance and support of our great Indian Lake tradition – the ILYC!

<u>LEVEL</u>	<u>DONATION AMOUNT – Tax Deductible</u>
<i>Silver</i>	Any amount up to \$50
<i>Gold</i>	\$51 - \$100
<i>Platinum</i>	\$101 – and above.

Please fill in your amount on the reverse side.
