

# Transition/Employment Planning Workshop

For any parent or guardian of an individual with an ASD ages 3-22.

## In this workshop you will

- Learn about state and federal transition policies according to IDEA
- Understand the basic components of transition planning
- Learn how you can support the development of your child’s postsecondary goals
- Learn about career exploration activities, employment soft skills, adult services, and community resources that may be helpful for your child
- Hear an example of successful competitive integrated employment, along with practical tips/strategies for career development for youth with autism

**What:** This workshop is part of a study funded by the Texas Higher Education Coordinating Board to provide training to parents of children with autism about transition to adulthood planning.

**Eligibility:** Any parent or caregiver of a child with autism between the ages of 3-22 who lives in the state of Texas.

**How to Register:** To immediately determine eligibility and register, [click here](#) or if you get this in paper format, you can type the web address in your browser <https://bit.ly/2BJfpP7> OR for more information, or to have an electronic version of the flyer sent to you, please email [nzuna@austin.utexas.edu](mailto:nzuna@austin.utexas.edu).
