

June 1, 2020

To All of my Patients,

After five and one half years at my current, Bellaire Place location, I have determined it is time to begin the next phase of my professional journey. As a result, two things will occur:

I will retire from my clinical practice, effective December 18, 2020

I will be teaching at Rocky Vista University in Parker, beginning January 2021.

This decision has not been a simple one. I have been practicing for over 35 years and am grateful to have found such fulfilling occupation. In this transition, my goal is simple, to slow down while continuing to help provide quality Osteopathic medicine for the future.

What this means for you...

You will need to find another provider. Of course this is entirely your decision; if helpful, as a starting point I suggest you inquire with [Dr. Devin Gamundoy](#) or [Dr. Kristin Putnam](#) at Rocky Vista University, 720-875-2880. rockyvistahc.com

I am very excited about this new chapter in life my, albeit it is somewhat 'bittersweet'. I thank you for your ongoing and continued trust in me with your care. I have enjoyed our journey together.

Sincerely,

Joel Berenbeim, D.O.
