ACCREDITATION

Our school is accredited by the Western Catholic Educational Association (WCEA) and co-accredited by the Western Association of Schools and Colleges (WASC). The review of the school by these organizations assures that our education program maintains high standards and are continuously improving. We must apply for reaffirmation of our accreditations every few years, depending upon our most recent evaluation.

Western Catholic Educational Association (WCEA)

The Western Catholic Educational Association (WCEA) is a private educational accrediting agency established under the auspices of the Bishops of the Catholic (Arch) Dioceses of California. The mission of WCEA is to promote quality Catholic education for students in our member elementary and secondary schools through an accrediting process that assures the primacy of faith formation and educational excellence.

Western Association of Schools and Colleges (WASC)

The Western Association of Schools and Colleges (WASC), a 501(c)(3) organization, is recognized as one of six regional associations that accredit public and private schools, colleges, and universities in the United States. The Western region covers institutions in California and Hawaii, the territories of Guam, American Samoa, Federated States of Micronesia, Republic of Palau, Commonwealth of the Northern Marianas Islands, the Pacific Basin, and East Asia, and areas of the Pacific and East Asia where American/International schools or colleges may apply to it for service.
