Ezekiel 37 tells us of a vision of a valley full of dry bones. This passage of scripture is a message of hope to a despondent people in a hopeless situation. Ezekiel 37:1-3 says, “The hand of the Lord was on me, and he brought me out by the Spirit of the Lord and set me in the middle of a valley; it was full of bones. He led me back and forth among them, and I saw a great many bones on the floor of the valley, bones that were very dry. He asked me, “Son of man, can these bones live?” I said, “Sovereign Lord, you alone know.” Yes, God does know and yes, he can give life to that which looks dead and very dry. As you continue to read the rest of chapter 37, it tells us that life was

spoken to this hopeless situation and there was a noise, and suddenly a rattling; and bones came together bone to bone. Verse 10 says that breath came into them, and they lived and stood upon their feet an exceedingly great army. At Project New Start, we see daily the resurrection and restoration power of Jesus Christ in the lives of men and women. March 27 is Resurrection Sunday. He is risen and is alive forevermore. We pray that you be blessed in the power of his might and have a wonderful Resurrection Sunday.

My name is Shane and I am 45 years old. I had a good life growing up. In 1988 I had a bad horse accident and crushed my left ankle. Because of this I ended up hooked on pain pills. During that time in my life I overdosed twice and had to be brought back to life. I totaled 12 vehicles from falling asleep behind the wheel. It was time for a change in my life. That's when I came to Project New Start. This is where I found the Lord again. I have, since then, graduated the program and have a full-time job. I am still an active member of the church and my life has never been better. It is such a blessing to see the new men and women come in broken and watch God restore life in them. Matthew 16:24 says “take up your cross and follow me...” So that is what I am doing. I thank God everyday for reaching down and setting my feet back on a solid rock.

Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life. Romans 6:4 (KJV) As we celebrate the death, burial, and resurrection of our LORD and Savior Jesus Christ; we should remember that in His death we have our Salvation. In His burial he carried our sins far away, and in his resurrection He justifies and “makes all things new.” Scripture shows us that anytime Christ appeared on the scene things changed, and became new; new sight, a new walk, and NEW LIFE. The apostle Paul tells us we will have “Newness of Life” in Christ, and what he did for us on Calvary. This New Life, of which we speak, is available for the old as well as the young. This is our aim and goal at NLCH to introduce our children to this “Newness of Life.”

I grew up in a good Christian home. I had some bad things happen to me when I was a child and when my Great-grandmother died I thought my life was over. I was angry and filled with so much hate that it consumed me. I started out just smoking weed and drinking alcohol but that soon escalated into so much more. My life was in such a mess. I came to New Life Children's Home in September 2015. Things really began to change for me. I started going to church and began building a stronger relationship with God and my family. I began writing my prayers down and saw them being answered. I knew from that moment on that God was real. I truly asked God into my heart on October 11, 2015. God has restored my family, freed me from drug addiction, and taken away my sadness and depression. My God is an awesome God. He says that if we ask we will receive; if we knock the door will be opened. Nellie (17)

I had a rough life growing up. My parents were in and out of jail which left me passed around in homes of people I didn't even know. I became a problem child with a bad attitude that no one wanted to be around. I ended up pregnant at 14 and had to learn how to deal with the pressure of taking care of a child and being a child myself. I kept getting into trouble that's how I ended up at New Life Children's Home. Since I have been here I have had a tremendous change in my attitude. I have gotten to know God and form a relationship with him. I have people in my life that care for me and believes I can be somebody. Everything in my life is slowly coming together. I can see and feel the changes taking place in my life. I am learning to become a virtuous woman and a mother to my son. God has been good to me and is opening doors in my life that I never would have thought would happen. Takevia (16)
