**Scobey School District  
iPad Protection Plan**

The Scobey School District recognizes that with the implementation of the iPad Initiative there is a need to protect the investment by both the District and the Student/Parent. The following outlines the School District Protection Plan.

**School District Protection**

The Scobey School District Protection Plan is available for students and parents to cover iPad repairs or replacement in the event of the theft, loss, accidental damage, or maintenance. The protection cost will be \$25 annually for each iPad with a maximum annual cost of \$50 per family. Yearly School District Protection Plan fees will be placed into an account to self-fund iPad repairs and replacement. If an iPad is not repairable, this plan will include one replacement. A second replacement will cost the student/parent \$150. Additional replacements will cost the student/parent the full value of an iPad (approximately \$500). Parents will need to purchase this protection plan through the Scobey High School office at orientation before their student is allowed to check out an iPad computer. Also, students will be required to attend orientation training at Scobey Schools before they will be allowed to check out an iPad.

**Personal Home or Homeowners Insurance Coverage**

If students or parents wish to carry their own additional personal insurance to protect the iPad in cases of theft, loss, or accidental damage, they should consult their insurance agent for details about their personal coverage of the iPad computer. Most insurance companies will require a rider for electronics and only provide so much coverage and generally a higher deductible.

**Additional Information**

In cases of theft, vandalism, or other criminal acts, a police report, or in the case of fire, a fire report **must be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the school office. In the case of **intentional damage**, the student/parent is responsible for full payment. The School District Protection Plan **DOES NOT** cover intentional damage of the iPads.
