ONLINE: Livestreamed: www.stvhscme.com

OR IN PERSON: St. Vincent's East
Birmingham, AL • Room 1 & 2

For more information call (205) 838-3225

Presentation purpose:

Despite the efforts of healthcare providers, medical error rates in communities, hospitals and homes remain high. Preventable medical errors not only affect patients, family members and healthcare providers, but also contribute to soaring healthcare costs.

The learner will be able to assess the situation and determine strategies for reducing common medical errors.

Learning objectives:

Upon completion of this activity participants should be able to:

- Review types of medical errors commonly seen in medical practices
- Identify strategies to reduce errors
- Incorporate cognitive process for self awareness to and in reducing errors

Target audience:

- This activity is designed for the interdisciplinary audience including physicians, nursing, pharmacy, PA & Social Workers

Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 IPCE credits for learning and change.

Faculty/Course Director/Planners:

Ascension/St. Vincent's Health has selected all faculty participating in this activity. It is the policy of Ascension/St. Vincent's Health that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Interest: No commercial interest was received for this CE/CME activity.
