

Popo Agie Conservation District Resource Enhancement Project Agreement

If cost-sharing is approved for the practice(s) requested, I agree to follow the program process, description, design, maintenance, and budget proposed in this application. Work conducted or materials purchased prior to project approval will not be considered. Modifications to project design without an approved change-order will result in agreement termination.

I agree to ensure that all applicable local, state, and federal permits are obtained and guidelines followed to implement the practices described herein.

I understand it is my responsibility to obtain a utility locates by contacting One Call of Wyoming at 800-849-2476 if excavation is required for the project. The tracking number will be provided to the district prior to excavation.

I will allow district personnel access to the project to provide technical assistance, to take before and after photographs, and to document post-project functionality.

I agree to complete the project within one-year after notification of approval.

I understand that the project reimbursement will not be prepared until after I provide signed invoices itemizing the actual costs incurred against this agreement. Signed time sheets will also be submitted if labor is utilized as project match.

I understand that Popo Agie Conservation District may not be held liable for any personal or property damage incurred while implementing the conservation practices described in this agreement.

I agree to maintain the approved practice/project for the design life as specified in the NRCS Practice Life Span.

The landowner/operator is responsible for the safe operation and maintenance of the improvements for the entire life of the practice. Operation & Maintenance (O&M) requirement or special O&M plans will be provided at the time of design review and acceptance by the land owner/operator to construct the practice as designed or planned.

I understand that this practice/project was installed to address resource concerns specifically for this property. In the event landownership changes this practice shall remain with the property.

In the event any of the above agreements are not complied with, Popo Agie Conservation District may pursue cost-recovery.
