March 20, 2022
THE THIRD
SUNDAY OF LENT

We welcome you to join our congregation of Saint Paul! Registration forms are available at the back of the church, near the entrance or contact Rae Crozier for more information.

Lord, we pray for the power to be gentle; the strength to be forgiving; the patience to be understanding; and the endurance to accept the consequences of holding to what we believe to be right. May we put our trust in the power of good to overcome evil and the power of love to overcome hatred. We pray for the vision to see and the faith to believe in a world emancipated from violence, a new world where fear shall no longer lead men to commit injustice, nor selfishness make them bring suffering to others. Amen. †

EVENTS LEADING UP TO THE CATHOLIC CHURCH IN SAINT GEORGE

Part II

One of the most important names in Utah Catholic history is that of Irish born Reverend Lawrence Scanlan. Father Scanlan, came to America as a missionary to the western United States and eventually arrived in Salt Lake City (SLC) on August 14, 1873. At the time SLC did not have a priest even though the parish was the largest in the country at that time encompassing 85,000 square miles. However, of the 800 Catholics in the parish only ninety lived in SLC.

In Fr. Scanlan's travels to reach members of the Catholic faith, he visited Silver Reef, a mining town founded in 1875 located near the Mormon town of Saint George. Finding a rich harvest for a new mission, he immediately set out building a church to serve the miners and other residents. As mining became more intense in the area, people of different nationalities flocked into the area. Silver Reef became a boomtown almost overnight and became the largest town in Washington County although very little of it remains today.

Eventually a question arose among many in the community, why shouldn't Silver Reef be designated as the county seat rather than the sleepy little hubble of Saint George? Silver Reef was predominately "Gentile" and could easily outvote the county's Mormon population.

However, Erastus Snow an early area settler and senior member of the LDS church changed the county line so that the center of county government would remain in Saint George.

(Continued in next week's bulletin).

LYNN SPENCER

There are volunteers who give some of their personal time and energy to Saint Paul Catholic Center and you are all greatly appreciated. Then you have volunteers like Lynn Spencer, a very humble and selfless man who routinely, at the drop of a dime makes himself available to help our church in any manner needed. Whether in the stifling heat of summer or the chill of winter, we can always count on Lynn. He is a wonderful and indispensable asset to our church and we all owe him a huge debt of gratitude. Thanks, Lynn, for all that you do for us! God bless you!

PLEASE VOLUNTEER FOR SNACKS AND GOODIES FOR AFTER MASS!

THE CHOSEN

The Knights of Columbus invite you to Join them Wednesday, March 23rd at 6 p.m. at Saint Paul Catholic Center for episode 3 of *The Chosen*. Episodes will continue every Wednesday during Lent, followed by a brief discussion lead by Deacon Dan Weber.

We are continuing to collect food donations for the Hurricane Food Bank and for the Springdale Elementary School.

RETROFITTING OUR CHURCH STEEPLE

Plans are still in motion to retrofit our church steeple with a new cross replacing the present-day weather vane cross. The new cross will be fabricated of heavier gauge metal, powder coated with a bronze finish, measuring 3 inches wide, by, 40 inches in height, 21 inches in length, and placed atop of the current cupola. Thank you all who have supported this project!

A LITTLE SUNDAY HUMOR!

★ When I was a kid, I lost my parents at the beach. I asked a lifeguard to help me find them. He said "I don't know kid, there are so many places they could hide." ☺

★ I told my psychiatrist that everyone hates me. He said I was being ridiculous - everyone hasn't met you yet! ☺
