Thursday, March 7 \$50 9- 2:30 pm 5 PDC's

ROE #8 27 S. State Ave, Freeport, IL

Don't miss this special day just for ELL/ESL Teachers!

It is rare to have a workshop in our area just for the ELL/ESL Teachers and we are excited to have Dani Salto facilitate this learning opportunity designed just for you. Dani is experienced in coaching teachers in curriculum needs, effective instructional strategies, and available resources for ELL/ESL students. We'll begin the day by building an agenda that you create so you'll walk out the door having discussed your needs, challenges, and successes. Please share this PD date with your colleagues and bring your team to spend the day learning together. Lunch will be provided. Join us!
