### **Reflections Contest Update**

Co-Chairs Lisa Lowary and Lee Jansen are excited to share that Reflections had a record breaking amount of 62 entries this year! That's a huge increase over last year's total of 4 entries thanks mostly to teacher participation this year. Thank you to Art Teachers Ms. Kudlicki and Ms. Preza for supporting us and involving your students in our nationwide PTSA sponsored program. After judging, 14 entries advanced to the District Level for further judging with the hopes of advancing to the State Level and possibly the National Level.

### **Membership and Scholarship Requirements**

If you are planning to apply for any of the PTSA scholarships for graduating seniors, you **must be a current PTSA member**. While 4-year membership is not required in order to apply for the scholarship it is a category that receives points for term of membership. The applications will be evaluated by the Lewisville Education Foundation (LEF).

If you are a graduating senior and would like to apply for the Lewisville Education Foundation scholarships their website is open, and you can begin your application process. Please note that not all the scholarships have been posted, so check back frequently for updates. <https://lisdef.com/student-programs/graduating-senior-scholarships/available-scholarships/>
