

TO ALL "CAR" RECORD TROPHY WINNERS FROM SPEEDWEEK 2018

Your 2018 Speed Week Record Trophy does not have your engine class on it. It was left off accidentally and has now been corrected. You will receive a new plaque with the correct lettering on it and it will be in the mail shortly. The plaque is sticky back and will replace the existing plaque.

We are extremely sorry for the error & inconvenience.

Your 2018 BNI Board
