

# AN OVERPOPULATED WORLD?

'GOD created Man in His own image, in the image of GOD He created him; Male and Female He created them. GOD blessed them; and GOD said to them, Be fruitful and multiply, and fill the Earth, and subdue it; and rule over the Fish of the Sea and over the Birds of the Sky and over every living thing that moves on the Earth. Then GOD said, Behold, I have given you every Plant yielding Seed that is on the surface of all the Earth, and every Tree which has Fruit yielding Seed; it shall be Food for you'.

## GENESIS 1:27-29

This is no over-population.  
There is over-crowding.

Mathematically, 7 billion People can fit and live self-sustained with 1 hectare of land in all of the land of Australia. This accommodation would support a family of 3 without any debt. Ideally there would be no hunger, Poverty, all things being equal.
