Coaches Comments:

Elite Youth wrestlers must attend a minimum of 2 practices per week and be registered for 3. Coaches will decide which wrestlers will fall under the elite category and are qualified to travel to the high level out of state tournaments. If a wrestler does not fall under the elite category, but wishes to attend a tournament while the elite team is competing out of state, then the coaches at Top Flight will provide information for a suitable tournament for them to attend. All wrestlers must be in at least 6 RI tournaments in order to be eligible to compete in the RIWA Championships

Youth Wrestlers are automatically registered in all of the mandatory tournaments.
