Updated: 25 July 2019

Click the registration button and mail your completed form/payment to Ev Harless at the address on the form. Pre-registration will allow your name tags to be typed.

All Petit Jean Military Vehicle Rallies will be held on the week of the 4th Saturday of September.

- 26-28 SEP 2019 - 19th Annual Rally

GENERAL INFORMATION:

There is no charge for military vehicle registration or for display set ups. Registration will be handled in the Fox Hole Store (located in the Quonset hut) when you arrive. Every military vehicle needs to have an ID card placed on the vehicle. This lets visitors know what the vehicle is and who it belongs to. These cards are useful when judging the vehicles. You will receive the vehicle ID card at registration as well as your name tags. If you are trailering or driving a military vehicle you won't have any trouble getting through the gate. Otherwise, show your AR MVPA or MVPA membership card. Come to the headquarters (in the Quonset hut) to get a parking pass for your auto window. This will make it easy to come and go without a hassle.

Vendor spaces are available: \$40.00 for the 3 day event. Spaces are large enough to camp on and to vendor. (30' x 40') Our area has been enlarged to include the grounds previously set up for the arts and crafts swap meet. There is free parking space for your privately owned vehicles and trailers in this area. Camping is free.

The Field Kitchen will be set up to serve meals. This year there will not be a service charge. Donations will be appreciated to help pay for the food. (Friday & Saturday) The kitchen crew will also appreciate donations of desserts to help ease the cost of the meals. An additional area has been added to our rally grounds, but this year we are responsible for all expenses of the area. We will be providing our own Security.

No live arms are allowed.

This is a family friendly event.

The trail ride on Thursday goes to the Petit Jean Overlook and on Friday it travels around Red Bluff Drive. On Friday all vehicles are photographed in the scenic setting of the overview.

The FoxHole Store could use donated items to sell. Any item that you think might sell is acceptable: knickknacks, collectables, (new or used), military items, vehicle parts etc. Just decide on the selling price you think is fair. All items will be appreciated. Bring them to the FoxHole Store at the rally. Money earned from the FoxHole store goes toward the electrical expenses and rental of the Port-a-Potties.
