

CENTER STAGE DANCE STUDIO

Holiday Show Newsletter

The Holiday Charity Show on January 13th is quickly approaching. We ask that students report to the back stage area at Assabet Valley High School in Marlboro 30 minutes prior to their part of the show dressed in costume with hair done and stage make-up on. Hair for Preschool, Kindergarten and Intermediate girls should be pulled back in a bun at the crown of the head. All other girls should have their hair parted on the right side and pulled back in a bun at the nape of the neck. Stage make-up includes bright blue eye shadow, blush and bright lipstick. Each class will bow at the end of each part to the show and return to the back stage area for pick up.

Admission

Admission to the show will be collected at the door in the form of a donation to either Andrew's Helpful Hands or the Hudson Food Pantry. If you choose to donate to Andrews Helpful Hands, it should be in the form of a monetary donation. If you choose to donate to the Hudson Food Pantry, please bring in non -perishable items. Seating at the performance will be general admission seating. To accommodate all families wanting to attend the show, we ask that you only go to the part of the show your child is performing in.

Costumes

Please see the list provided that will explain in detail what each student is required to supply. The remainder of the costuming will be purchased by Center Stage. A flat rate has been placed for all class costume fees. All overage in fees after costumes have been purchased will be donated to Andrew's Helpful Hands. Costume payments were due November 20th. If you have not yet made a payment, we are kindly asking for you to do so by December 15th. We will start to distribute costumes this week and any student with a balance will not receive their costume.

Backstage

Each preschool thru intermediate class will be assigned a staff member backstage. A password will be assigned at drop off for each child (preschool thru intermediate level) and will be required at pick up for your child. We ask that only one parent drop off and pick up to minimize confusion in the backstage area. Due to SEVERE food allergies with some of our students we ask that you feed your child before the show and leave them with just water and a nut free, egg free, dairy free clean snack if you choose to pack something.
