The mandates for COVID continued in 2021 which canceled the Springhill Cemetery Memorial Service. It also meant that the water was off again and plot-holders had to bring water for any flowers at the cemetery. It's been 2 difficult years but now restrictions have been removed and cemetery operations will be back to normal. Despite a second cancellation of the Memorial Service donations have been generous and the Board thanks everyone for their continued support.

Your financial support is vitally important to keep our cemetery running and we appreciate it. Likewise, we appreciate your compliance with the bylaws that keep our cemetery tidy and safe... Specifically: Please do not leave glass, ceramic, or metal containers, vases, or ornaments on graves. Solar lights are not allowed. Please no flowers in front of the columbarium.

As a board, we held several work bees to clean up, rake leaves, and trim dead trees and branches. Thanks to many generations of plot-holders of previous boards who served the community, a dedicated board and some helpful volunteers who keep the cemetery and buildings in good condition, Springhill Cemetery enjoys many plaudits from visitors.

Please note that our website has our financial statements, annual reports, and bylaws available for reference.

Thank you for the opportunity to serve you,

Sincerely,

Greg Mount

Chairman, Springhill Cemetery
