## STUDENT APPLICATION

Dear Parent or legal guardian;

Congratulations! Your student has expressed interest in joining the KUEST Team. We are dedicated to creating an environment that challenges your student to learn, be creative and have a great time while enhancing their relationship with God. As part of that commitment, we have a program called KUEST for Excellence and KUEST Crew. KUEST stands for Kids Under Excellent Service Training.

Upon approval of this application, your student will also enjoy in-class training that will teach them the core KUEST principles. Throughout the year they will complete journals, read books and participate in activities that will strengthen their character and self-esteem. Our goal is not to simply create exciting things for students to do, but to offer opportunities that will benefit them for years to come. As our saying goes, the KUEST for Excellence never ends! Because your student is interested in becoming a part of the KUEST Team, we ask that you discuss this opportunity with them. As part of the requirements for the program, we will need your Consent to Commitment that is included with this letter to be signed and returned with your student's completed application.
