## Skins Guest Policy

---

Our intent is to allow members to occasionally invite a guest to a skins game. Valid reasons are introducing a friend to the club in the hope that they consider membership; or inviting an out of town guest to enjoy the game. The guest policy is not to provide "part time" membership for those who want to play occasionally and repeatedly.

The following Skins Guest policy was published in May 2013, and *updated February 2024*.

- Guests are allowed to play in the skins game twice every other month, once on Tuesday and once on Saturday.
- *Guests must be invited by and play with a member in good standing.*
- *Members may invite up to three guests.*
- *Members must sign up their guests in advance (signup deadline) and provide GHIN numbers.*
- Guests playing in the game play to their GHIN low index (L.I.). Guests without a valid GHIN handicap must play to a zero. The determination of what flight the guest plays in is up to the discretion of whomever is running the skins. We do not want high handicap player in the "A" flight because he is playing from a 0 handicap
- Guests may also play as a marker only, without being in the skins game. They will have a tee time within the skins game, but will not be eligible for any payouts.
