DESCRIPTION: Great looking and performing Sovereign recurve. No delamination; no cracks; limbs are straight. Double-sided overlays and tips are in great condition. Two small filled sight holes (see pic). No chips, dings or cracks. Bow has been partially refinished. No stress lines or crazing. A few scratches and scuffs on the limbs. **Flaws:** The finish on the edge of the riser is a bit rough. There was 1/8" wide 5" long surface gash in the fiberglass on the back upper limb near the top of the riser. It was filled with fiberglass resin and re-stained, but is a significant blemish (see pic). Otherwise this bow would be priced much higher.
