### An Update from Our Missionaries

Dear Friends at First UMC, Thank you for the gift you sent to us for mission and for your patience with the mail system and the amount of time it takes to arrive here. I see you sent it on May 7th. It is now the 1st of November. This is unthinkable. I usually try to send the mail with someone traveling to the states but we don't know anyone going for another 2 weeks so I will try and trust the postal system and hope you receive this note. There are so many needs here; from supporting the Solar Oven projects to helping publish Christian Education materials to supporting families who don't have enough resources to provide for their family. Your gift is greatly appreciated. Gordy is slowly healing from the break to his shoulder. Everyone says this is the most difficult area to heal and get mobility back. I guess we agree. He is going to physical therapy yet everyday he has to be careful to not stress it too much and most days experiences pain. We would ask for your continued prayers for him. Please greet everyone at church from us. Thank you again. We are together with you in Christ's mission.

Ardel & Gordon

Thank you again. May peace and happiness be yours this Christmas and throughout the New Year.
