

**Building Inspector**  
Village of Oswego

The Village of Oswego is seeking a knowledgeable, customer service-oriented building inspector to conduct building inspection and plan reviews for residential and commercial projects in a fast-growing municipality.

An ideal candidate for the Building Inspector will have a high-level of technical expertise in building codes and code interpretation, experience in plan reviews and field work, and be able to work collaboratively with developers and builders to identify issues early and work to find creative solutions that do not compromise building safety. This position works under the direction of the Building and Permits Manager, who serves as the code authority for the Village.

Candidates should have technical training, including knowledge of various building codes, knowledge of construction methods and experience reviewing plans for code compliance. ICC Certifications, preferably building, mechanical, electrical and/or combination inspector, or the ability to obtain such certifications upon hire, and a valid Illinois Driver's License are required.

The Village provides a comprehensive and competitive benefit package. Salary range is \$64,700 to \$91,975, expecting to hire at \$70,000 +/-, DOQ.

Submit resume and application to [humanresources@oswegoil.org](mailto:humanresources@oswegoil.org). More information is available online at [www.oswegoil.org](http://www.oswegoil.org).

The Village of Oswego is an equal opportunity employer. Applications are due 8 a.m. Monday, Nov. 21.
