TRACK CONVENOR'S REPORT

A very successful Track and Field Meet was held at Central Collegiate on Thurs 14 May 64, at 1 PM. The attached result sheet shows how the schools finished and gives the names of the contestants winning each division.

This was the first year the girls competed on an Inter-school basis and necessitated a change in the schedule. It was decided to have Girl's Preliminaries on Thurs 7 May and Boy's Preliminaries on Mon 11 May, with the finals on Wed 13 May.

Records were hard to set this year because of the wet track. The only record set in the Senior Division was in the Pole Vault. In the Intermediate Division two records were broken, two were tied and a record set in the new event, the 36 in. hurdles. In the Junior Division 2 records were broken and a record set in the new event, the 1 mile run.

Sarnia athletes competed in the Kennedy Relays held in Windsor on Friday May 15.

The WOSSA Meet was held in London on Sat 23 May 64. Northern again won the Senior team title. Central's 1 Mile Relay team set a record. Congratulations to all contestants and coaches who so ably represented the Sarnia High Schools.

Sarnia athletes went to the OFSAA Meet at Waterloo on Sat 30 May 64, as representatives of WOSSA. Mike Withers, a Junior from Northern, won the Junior Javelin throw with a toss of 159' 10".

This year's meet would not have been a success without the whole-hearted co-operation of the teacher officials and the coaches. Many thanks to all who helped, and to the Officials of the board who arranged for the physical facilities needed to conduct the meet. The Central staff worked very hard to clear the track of water.

We look forward to bigger and better things in 1965 and many of our local records must be broken if our athletes are going to win at WOSSA and at OFSAA.

Track Convenor for 1965 is Mr. L. Donohue of Northern.

SUGGESTIONS FOR 1965.

1. Girl's Preliminaries Thurs 6 May 65 at 3:30 PM
2. Boy's Preliminaries Mon 10 May 65 at 3:30 PM
3. Boy's & Girl's FINALS Wed 12 May 65 at 1 PM
4. All 880's be run in the Preliminaries
5. More Snow fence.
