*A Prayer for the Family*

*Guide our footsteps today O God. Be our shield as we leave our homes  
or remain in it. Preserve and Strengthen our family. Let our separation  
from one another through school, work or other activities serve to  
strengthen  
our unity upon our return together.*

*Guard our home O, God, that no hurt, harm or danger will come  
upon it  
in any form while we are away or remain in it. Let it be a sanctuary of  
blessing, comfort, shelter and love for each one of us. Let it always  
be a restful place for  
at the end of the day.*

*Continue to protect us, O God, as we rest at night. Allow no intruders  
or calamities to disturb our home. We trust in Your Almighty power to  
keep*

*us safe from any form of evil. In the Name of Jesus the Christ, by the Power of the Holy Spirit we pray. Amen and Amen!*

## Attitude

*"The longer I live,  
the more I realize the impact of attitude on life.  
Attitude, to me,  
is more important than facts.  
It is more important than the past, than education,  
than money, than circumstances,  
than failures, than successes,  
than what other people think, say or do.  
It is more important than appearance, giftedness  
or skill. It will make or break  
a company... a church... a home.  
The remarkable thing is we have a choice every day  
regarding the attitude we embrace for that day.  
We cannot change our past... we cannot change the fact  
that people will act in a certain way.  
We cannot change the inevitable.  
The only thing we can do  
is play the one string we have,  
and that is our attitude...  
I am convinced that life is 10% what happens to me  
and 90% how I react to it.  
And so it is with you..."*

*We are in charge of  
our Attitudes!”*

Charles Swindoll
