Dear Lorri Keenum,

The Business Diversity Development office acknowledges receipt of the No Change Affidavit, Contact Update form, and Supporting Documentation for the City of St. Louis Local **M/WBE** Program.

Based on a review of your documentation, it has been determined that C2 Service Group, Inc. remains eligible since the documents indicate there are no apparent changes which impact its certification status. Should this information change, you must notify the Business Diversity Development office, in writing, within 30 days of the change.

Please note that you are required to file no change documentation online next year by your anniversary date of May 28, 2020. The Business Diversity Development office will send you notification approximately 90 days prior to that date. The no-change documentation must be filed online in the Business Diversity Development Certification and Compliance Management System. You can also access this online system by clicking on the Certification link from our website at <http://www.flystl.com/bdd>.

If you have any questions, please contact our office at businessdiversity@flystl.com or 314-426-8111.

Dear Lorri Keenum:

The Business Diversity Development office is pleased to notify you that your firm continues to meet the requirements for certification as a Disadvantaged Business Enterprise (DBE), in accordance with Title 49 Part 26 of the Code of Federal Regulations.

City of St. Louis - Lambert

P.O. Box 10212

Please note that your firm shall remain certified as a DBE until it withdraws from the DBE Program or is formally decertified by the Business Diversity Development office. It is your responsibility to notify this office in writing within 30 days of any changes and to keep your certification up-to-date. Failure to submit a no change affidavit, report any of the above changes to this office, or violation of the rules of the DBE Program may result in revocation of your certification or other possible legal actions as set forth by Title 49 Part 26 of the Code of Federal Regulations.
