NATALIE M. FOXHILL

SKILLS

A Multimedia designer with 21 years experience in graphic and web design, fine art, photography, video editing, project management, social media marketing and communications.

EXPERIENCE

Freelance Graphic And Web Designer 1997 - 2018

- Management of the complete graphic and web design process, from conceptualization to delivery.
- Search engine optimization, e-commerce integration and scheduling of project milestones.
- Able to stretch the boundaries of graphic and web design to implement digital storytelling to help my client's message stand out.
- Web development presentations, maintenance as well as interdepartmental training.

All Star Party Professionals —Owner/ Operator 2006 - 2017

- Designed custom upscale décor such as backslashes, custom centerpieces, living statues, textiles and theatrical makeup for elite events such as weddings, galas, red carpets, mitzvahs and grand openings.
- Past clients include Eagles, Flyers, Phillies, Nationals, NY Yankees, AC Casinos, Shriner's Children's Hospital and more!

Media Software Tester & IT Tech Support — Superior Information Services- Trenton, NJ 2001

Evaluated & tested new services & features on all software applications and coordinated campaign initiatives. Installed new hardware & software, logged all computer technical faults and executed repairs & updates. Responsibilities also included custom design of promotional marketing materials and web banner displays, presentations and interdepartmental communications liaison.
