

Merrimack Dog Park Sponsorship Opportunities 2017

Thanks to your support, the Dog Park is up and running, and so are the dogs, BUT we need your help to make your Merrimack Dog Park an even more welcome and fun place for you and for your dog. We plan to improve the park with things such as benches, agility equipment, water stations, better footing, etc. and will continually be fundraising. Here are some ways you can help (you can also make a donation to the Dog Park Fund – go to merrimackparksandrec.org/dogpark.html for more info). Thanks for your continuing support!!!
