

# Meet the Teacher

5th Grade Student  
Teacher

## About Me

Hey everyone! I'm Maycee Hoke, the student teacher in Mrs. Beckman's 5th grade classroom. I am originally from Bridgewater, SD but recently moved here after getting married. My husband, Micah, and I recently got married in August and are both finishing our college degrees!

We enjoy staying active and you will often find us playing disc golf or taking walks. When I'm not in the classroom, you can find me reading, being outdoors, cooking/baking, playing games, and spending time with friends and family.

My favorite drink is a honey almond milk latte or just water. I'm known for taking my water bottle with me everywhere. My favorite foods are tacos and ice cream, both can be enjoyed year-round. My favorite place to be is my family farm or Crystal Springs Camp.

**My favorite book of the Bible is James because it reminds me to be steadfast through all circumstances, in times of joy and times of affliction. I am excited to be a part of the team at Victory!**
