Week 12 News and Notes!

For those of you that are new, in this section we'll recap what happened last week specifically, the misleading finals, the key injuries, the bad beats and the line moves. We'll include most of these recaps here, therefore you don't have to waste time reading about them in my game-by-game write-ups for the upcoming week. Without further adieu, here's a run down of what happened last week in the world of CFB.

No. 19 Northwestern upset No. 9 Wiscon-

sin last week as 7-point home underdogs

The Wildcats are now overwhelming fa-

vorites to win the Big Ten West Division.

ATS Notables

BYU is 7-1-1 ATS this year covering by an average of 12 ppg. Indiana is 5-0 ATS this year covering by an average of 12 ppg. Kansas is 0-6-1 ATS this year failing to cover by an average of 12 ppg. Penn St is 0-5 ATS this year failing to cover by an average of 15 ppg. Utah St is 0-4 ATS this year failing to cover by an average of 12 ppg. Kansas games are 6-0-1 to the OVER this year by an average of 7 ppg. South Alabama games are 8-1 to the UNDER this year by an average of 7 ppg.

Misleading Finals

Iowa (PK) beat Penn St 41-21. While we're not saying Penn St should have covered, it should be noted Iowa only had a 361-342 yard edge and were +3 in TO's including a 71-yard interception return TD.

Northwestern (+7) upset Wisconsin 17-7. However, the Wildcats were out-gained by more than 100 yards and benefitted from +4 in TO's.

Purdue (-2.5) lost to Minnesota 34-31. However, the Boilers had a 492-394 yard edge but missed 2 FG's and had a really bad call in the final minute (offensive pass interference) go against them that took a TD off the board.

Washington (-12) beat Arizona 44-27. However, the Huskies led 37-0 entering the 4Q and Arizona got 300 of their 331 yards in garbage time during the 4Q.

Bad Beats

Abilene Christian (+38.5) backers vs Virginia suffered one of the worst beats ever last Saturday. First, the Wildcats appeared to get the back-door cover with a TD with 1:26 left to make it 49-13 (extra point no good). Abilene then got a safety when Virginia accidentally called a trick play and had a double-pass in the end zone. However, on the final play of the game Virginia got a 84-yard interception return TD for the front-door cover.

We gave out UCF (+5.5) vs Cincinnati as our bonus pick on these pages last week and despite UCF leading outright in the 4Q, we were very fortunate to cover as Cincinnati's RB decided to take a knee at the 1-yard line instead of scoring in the final 90 seconds of the Bearcats 36-33 win.

Tulane (+5) backers were covering the entire game until Tulsa got a 96-yard interception return TD in the second overtime to win by 6. That wasn't even the worst of it as Tulsa scored a 37-yard TD on the final play of regulation just to force OT.

Injuries/COVID Cases

We had 18 games postponed or cancelled last week including Ohio at Miami, OH, Utah St at Wyoming, Georgia Tech at Miami, FL, Wake Forest at Duke, Clemson at Florida St, Navy at South Florida, Michigan St at Maryland, Charlotte at Marshall, Arizona St at Colorado, UNLV at Colorado St, Washington St at Stanford, San Jose St at Fresno St, Houston at SMU, Ole Miss at Texas A&M, Texas at Kansas, UL-Monroe at Louisiana Tech, UAB at UTEP and Central Arkansas at UL-Lafay-

This week's Washington/Washington St game was cancelled due to positive cases at Washington St

This week's San Diego St/Fresno St game was cancelled due to positive cases at Fresno St.

This week's Southern Miss/UAB game was cancelled.

This week's Arkansas/Missouri game was postponed due to COVID issues at Ar-

This week's Western Kentucky/Charlotte game was moved to Tuesday, December 1st. This week's Louisiana Tech/FIU game was cancelled due to FIU not having enough healthy players at a position.

This week's Utah/Arizona St game was moved to Sunday, November 29th.

This week's **Tennessee/Vanderbilt** game was postponed.

With both of their games cancelled, Utah will play at Washington on Saturday.

Kansas QB Jalon Daniels (Ankle) is questionable for this week's game vs TCU. Miami, OH QB Brett Gabbert (Head) is questionable for this week's game vs Akron. New Mexico QB Tevaka Tuioti (Concussion) is questionable at Utah St. Purdue QB Aidan O'Connell (Foot) has been downgraded to doubtful vs Rutgers.

Temple was down to a 5th-string 5-foot-11 walk-on QB in Kamal Gray vs East Carolina last week and could be in the same boat this week vs Cincinnati. Toledo QB Eli Peters (Knee) is questionable for this week's game vs Ball St.

UCLA QB Dorian Thompson-Robinson is probable for this week's game vs Arizona. Utah QB Cam Rising (Shoulder) is out for the season.

Recapping Week 12 Best Bets

It was a 3-2 week on our CFB best bets but we can't believe we lost with Oregon -13.5. The line closed -18.5 as UCLA was without their starting QB and yet the Ducks had no shot. Penn St was also a big miss for us but we did win with Oregon St and UCF although both came down to the final moments. Oklahoma was an east winner. After going 60% the last 5 years, our NFL picks flat out stink this year.

THE POWERS' PACK 2* UCLA (-10) over Arizona 2★ BOSTON COLLEGE (-1) over Louisville **1★ Pittsburgh/CLEMSON OVER 55 1★ PURDUE (-11.5) over Rutgers BONUS PICK: Emailed Friday at 3pm ET**

Games in Rotation Order Thursday, November 26th **HOME TEAM IN CAPS**

AIR FORCE 28 Colorado St 24. Colorado St had their game cancelled vs UNLV last week. In their last game, they had a misleading blowout loss to Boise St where they gave up 3 special teams' TD's. The Rams' rush defense is allowing just 106 ypg this year. Meanwhile, AF is off a 28-0 win over New Mexico last Friday. The Falcons had a 356-86 rushing yard edge. The Falcons have won 4 straight in the series and while we think they get their 5th here, we lean with the Rams ATS

New Mexico 27 UTAH ST 23. New Mexico is off a shutout loss to Air Force last week where they missed 4 FG's! They could get back QB Tevaka Tuioti here but backup Trae Hall has played okay in his absence. They're taking on a Utah St team that is 0-4 SU and 0-4 ATS failing to cover by an average of 12 ppg. The Aggies have an interim coach and a backup QB. Even though our power ratings are very strong on Utah St here, it's tough recommending anything more than a lean on a Utah St team that could be waving the white flag on the season.

Friday, November 27th

Central Florida 45 SOUTH FLORIDA 23. UCF has won 3 straight in the "War on I-4" and is a heavy favorite to make it 4 straight here. However, how much motivation will they have for margin now that they have lost 3 games this season and after giving a solid effort vs Cincy last week? The Knights were extremely fortunate to get a cover there as Cincy decided to take a knee instead of scoring late. Meanwhile, USF saw their game vs Navy cancelled. The Bulls have lost 7 straight games since the opener but have covered 3 of their last 4 catching 14 or more points. UCF is 0-4 ATS laying more than 20 points this vear. Lean USF.

Notre Dame 37 NORTH CAROLINA 34. Arguably the best match-up of the week. Both teams come in off a bye. North Carolina has been inconsistent at times this season but their offense is averaging 48 ppg and 607 ypg in their last 6 games. On the other side, ND has scored 40-plus in back-to-back games for the first time since 1996 as QB Ian Book has taken his game to another level. ND has a big edge on defense allowing just 17 ppg and 302 ypg while NC allows 31 ppg and 414 ypg. However, ND will be without two starting OL, which won't get much attention in the market. It is the 2nd highest total in ND football history but we lean OVER.

CALIFORNIA 28 Stanford 25. Both teams sit at a disappointing 0-2 needing a win. We went against California on these pages last week and won as they lost outright Oregon St. However, the Bears looked much improved compared to the opener and probably should have won the game as QB Cahse Garbers threw 2 INT's inside the Oregon St 10-yard line. Meanwhile, Stanford saw their game vs Washington St cancelled due to COVID issues at Washington St. Still, the Cardinal are just 4-10 SU in their last 14 games. Cal broke their 9-game series losing streak last year and they win and cover another here.

Oregon 37 OREGON ST 24. The Ducks have won 11 of the last 12 meetings in what used to be called the "Civil War" but that was one of many things to go by the way side in 2020. We can't begin to tell you how disappointed we were with Oregon last week. We gave out the Ducks -13.5 on these pages and they closed as 18.5-point favorites playing a short-handed UCLA team without their starting QB. They should have lost the game outright! UCLA outgained them but the Bruins had 4 TO's. Meanwhile, we did win with Oregon St on these pages but the Beavers also weren't that impressive benefiting from a pair of Cal INT's inside the Oregon St red zone. We don't see too much value here. Iowa St 29 TEXAS 28. Texas has covered 4 straight in the series but did lose last year straight up. The Cyclones come in off their best performance of the season as they beat Kansas St 45-0 with a 539-149 yard edge. RB Breece Hall has topped 100 yards in every game so far this season. On the other side, Texas saw their game vs Kansas cancelled. A win here by either team would go a long way towards grabbing a spot in the Big 12 Title game. It is the final home game for Texas QB Sam Ehlinger but we think Iowa St is the better team.

IOWA 33 Nebraska 21. An embarrassing loser for us on these pages last week going up against a red-hot Iowa team in their 41-21 win over Penn St. Do note the Hawkeyes were +3 in TO's and only outgained Penn St by 19 yards. Speaking of embarrassments, Nebraska got crushed as 17-point favorites to Illinois (Nebraska was -5 in TO's). We're not wild about laying doubles with Iowa here but we can't recommend going against them for the second week in a row. San Diego St at Fresno St was cancelled due to COVID issues at Fresno.

Wyoming 34 UNLV 20. We haven't seen Wyoming in a few weeks as their last two games have been cancelled. UNLV also saw their game vs Colorado St cancelled last week. The 0-4 Rebels have disappointed so far under first-year coach Marcus Arroyo but they haven't played that bad relative to expectation after the first half of the opener vs San Diego St. Wyoming is 8-17-2 ATS laying 14 or more since late 1996. We lean UNLV.

Southern Miss at UAB was cancelled.

Central Michigan 34 EASTERN MICHIGAN 28. Central Michigan is on a 8-3 SU/ATS run in the series. Both teams come in off losses last week. CMU's defense allowed 628 yards and 52 points vs Western Michigan and EMU was outgained by 212 yards in a 17-point loss to Toledo. EMU is in their preferred role as they are 24-7-3 ATS (+3.5 ppg) as an underdog since mid-2016. We lean EMU and the OVER.

LIBERTY 45 Massachusetts 9. Will there be "bubble burst" for Liberty after they saw their unbeaten season come to an end last week in a 1-point loss at NC State? Meanwhile, UMass is 0-3 SU this season but they've played 3 bowl teams from last year and are 2-1 ATS including a comfortable cover at FAU last week. We think they cover here.

Saturday, November 28th

Tcu 40 KANSAS 16. We haven't seen the Jayhawks in a few weeks but make no mistake about it they are having an historically bad season even by their low standards as they are 0-7 SU and 0-6-1 ATS. Meanwhile TCU is off a scheduled bye and the Horned Frogs need a feel good win. The problem is the Horned Frogs are just 2-6 ATS vs Kansas the last 8 years falling short of expectation by 13 ppg. We prefer the OVER as Jayhawks games are 6-0-1 to the OVER this year and we don't think you're paying a premium to back it. **GEORGIA ST 28 Georgia Southern 27.** Georgia Southern has won the last

two years by at least 21 points. Last week the Eagles lost a close one to Army as they blew a 21-7 halftime lead. They had a chance to win it in the final seconds but inexplicably ran it with no time outs and ran out of time. Meanwhile, Georgia St is off one of their better performances as they handled South Alabama. Georgia Southern has played in 7 one possession games already this season, more than anyone in the country and we look for another here.

Arkansas at Missouri was cancelled due to COVID issues at Arkansas.

Georgia 34 SOUTH CAROLINA 16. The Bulldogs just haven't been able to pull it all together this year as they have failed to cover in 4 straight games. Last week, they finally got some great production at QB with JT Daniels throwing for 401 yards (first QB to do that at UGA since 2013) and 4 TD's but the run game managed just 8 yards in a near upset loss to a struggling and short-handed Miss St team. Meanwhile, South Carolina lost 17-10 to Missouri in Mike Bobo's first game as interim coach. This game will be special for Bobo who played at UGA and was a long-time O.C. there. We lean with S.C. Yes, their 2-6 but they've really only had two bad performances this entire year.

FLORIDA 41 Kentucky 20. Florida is on a 32-1 SU run in the series dating back to 1987 but have failed to cover in 3 straight and also lost outright the last time they hosted the Wildcats. The Gators had a tougher time than expected last week vs Vanderbilt failing to cover as huge favorites. QB Kyle Trask is now favored vs the field when it comes to the Heisman and we think head coach Dan Mullen won't be afraid to pad his stats. Meanwhile, Kentucky looks like a fragile team after a 60-point loss last week to Alabama where just announced before kickoff, they had multiple players ruled out. However, this line looks expensive as Alabama was laying around 30 last week at home to Kentucky and we think the Tide are at least 10 points better than Florida if we're comparing lines

Smu 41 EAST CAROLINA 29. East Carolina took advantage of a short-handed Temple team playing a 5th-string walk-on QB in their 28-3 win. They might be getting a little too much credit for that one. Meanwhile, should be itching to atone for a loss to Tulsa a few weeks ago where the Mustangs blew a big lead. Expect a lot of points here as each of the last 5 meetings have gone OVER the total with an average of 84 total points scored in those games.

1★ OVER 55 CLEMSON 43 Pittsburgh 18. We like the OVER here. Clemson head coach Dabo Swinney seems agitated after last week's game vs Florida St was postponed due to Clemson having a late positive COVID test. QB Trevor Lawrence returns to the line-up and will be itching to deliver a good performance. However, Clemson's banged up defense looks like it could be without several starters again. We've seen 4 straight Clemson games go OVER the total. Meanwhile, we've seen 6 straight Pitt games go OVER and that includes a stretch without QB Kenny Pickett. Pickett has returned to the lineup the last two games and the Panthers' offense has topped 40 points in each including a shocker last week as a short-handed Pitt team destroyed Virginia Tech led by Pickett who threw for 404 yards.

Minnesota at Wisconsin was cancelled due to positive cases at Minnesota. Western Kentucky at Charlotte was moved to Tuesday, December 1st.

Cincinnati 45 TEMPLE 10. Cincinnati deserves that lofty No. 7 ranking in the initial CFB Playoff standings. That's higher than any Group of 5 team ever and we also have Cincinnati in our Top 10 power ratings (higher than any Group of 5 team at this point in the season). We were fortunate to cover against the Bearcats last week as their RB decided to take a knee at the 1-yard line instead of scoring in the final minutes. Meanwhile, Temple was down to a 5th-string walk-on QB last week and lost to East Carolina 28-3. This will be ugly but it is priced into the line as this is the largest favorite role on the road in Cincinnati history

Virginia 35 FLORIDA ST 24. Two teams heading in opposite directions. UVA has won 3 straight games and have covered 6 of their 8 games this season. Last week they crushed Abilene Christian by 40 but got a very lucky cover (see page 1). Meanwhile, FSU has been blown out in 3 straight games and have covered only twice in their 8 games so far this season. Last week's game vs Clemson was cancelled at the last minute and some believe FSU was trying to avoid an embarrassing loss (was the largest underdog role ever for the Noles). To show how far FSU has fallen this is only the 2nd time they've been an underdog to UVA (last year being the other) as they were on average a 16-point favorite in the previous 18 meetings prior to last season.

Louisiana Tech at FIU was cancelled due to COVID issues at FIU.

Northwestern 28 MICHIGAN ST 15. Northwestern is pretty much a "shooin" now to get to the Big Ten Championship game after upsetting Wisconsin last week. That's a far cry from their 3-9 season a year ago. However, note the Wildcats were outgained by more than 100 yards last week and were +4 in TO's. Meanwhile, they're taking on a Michigan St team that has been exposed in their last two games vs Iowa and Indiana getting outscored 73-7! With that being said, this isn't a great spot for Northwestern and the Wildcats are just 8-15 ATS all-time laying doubles in Big Ten play.

MICHIGAN 29 Penn St 28. Obviously, these are two of the most disappointing teams in the country this year. Hindsight is 20/20 but shame on us for backing Penn St vs Iowa last week on these pages as the Nittany Lions dropped to 0-5. Turnovers were the main culprit (-3). Meanwhile, Michigan had to rally from a double-digit deficit to beat Rutgers in three overtimes last week. There was some positive news as they may have found their QB of the future as Cade McNamara came off the bench and threw for 260 yards and 4 TD's while leading the comeback. We wish you could still "tie" in CFB because that's what we would call for here. Instead we will call Michigan by 1 and move on to better value games. NC State 34 SYRACUSE 17. We mentioned this last week but NC State has a chance to finish 8-3 on the season after going just 4-8 a year ago. Last week the Wolf Pack ended Liberty's unbeaten season with a hard-fought 15-14 win. Meanwhile, Syracuse looks to just be playing out what has been a miserable season as last week they lost 30-0 to Louisville to drop to 1-8 on the season. We could only look at NC State here.

Duke 30 GEORGIA TECH 29. These two teams have played a combined one game so far in the month of November. Both are having disappointing seasons. We think Duke is a bit underrated as they have only been outgained by 5 ypg despite their 2-6 record. A -11 TO margin is the main culprit. Meanwhile, Georgia Tech is -98 ypg on the season and the Yellow Jackets have also dealt with

TO issues (-7). A true coin flip.

Oklahoma 34 WEST VIRGINIA 23. As you can see by our power ratings on the next page, we think Oklahoma is a Top 5 team right now. The Sooners have certainly played like it lately as they have won 5 straight games by 28 ppg and have covered 5 straight games by 14 ppg. Last week, we easily won with them on these pages in their blowout win over Oklahoma St. However, they will be tested here vs a West Virginia team that has allowed just 274 ypg and 18 ppg this year (obviously, in the offensive-driven Big 12 those numbers are great!). The Mountaineers are coming off a bye and have covered 3 straight games. We would love to continue riding the OU money train, but not against this WVU team.

Miami, FL at Wake Forest was postponed due to positive cases at Miami. INDIANA 38 Maryland 22. How can you not be impressed with this Indiana team? The Hoosiers proved they are legit losing by only 7 in Columbus last week (fought back from a 35-7 deficit). QB Michael Penix threw for more yards (491) than any QB had vs the Buckeyes since the early 1980s! IU is now 5-0 ATS on the season. Meanwhile, we haven't seen Maryland in a few weeks. The Terps were the first team EVER to pull outright upsets as 18-point or more underdogs in back-to-back weeks. The problem is it came against an overrated Minnesota team and a now 0-5 Penn St team. This isn't a great spot for the Hoosiers but we could only look to back them here.

1★ PURDUE 38 Rutgers 23. Both teams come in off heart-breaking losses last week. First, Purdue was robbed by a bad call late vs Minnesota that took a TD off the board. On the bright side, QB Jack Plummer was great filling in for Aidan O'Connell as he threw for 367 yards and 3 TD's and All-American WR Rondale Moore returned to the lineup and caught 15 passes! On the other side, Rutgers blew a 17-0 lead vs Michigan and lost in 3 OT's on Saturday Night. Purdue has an extra day to prep and we feel they take some frustrations out here.

BUFFALO 39 Kent St 27. A battle of 3-0 teams in what should decide the MAC East. We believe Buffalo is by far the best team in the MAC. The Bulls have outscored their opponents by 25 ppg and are +110 ypg so far this season. They have revenge for blowing a 3-TD fourth quarter lead last year vs Kent St. Speaking of that game, that upset has sparked the Golden Flashes to 7 straight wins. The Flashes just destroyed Bowling Green and Akron the last two weeks. However, those are two of the worst teams in all of CFB and Kent allowed BG to rush for 260 yards and Akron to rush for 212. That's not a good look facing the powerful Buffalo rush attack that saw RB Jaret Patterson run for 301 yards last week

WESTERN MICHIGAN 41 Northern Illinois 24. 0-3 NIU vs 3-0 WMU here. While we are no fans of this NIU team, we think the Huskies are being a too disrespected in the market place as they easily covered a big spread last week vs Ball St. Certainly, WMU looks like they will win the MAC West this year as they've beaten Toledo and CMU the last two weeks. The Broncos do have revenge for losing outright last year to NIU when a win would have given them the division crown. They get revenge but not to the tune of covering a 20-point spread.

TOLEDO 35 Ball St 27. Toledo has revenge for losing 52-14 last year that snapped a 5-game series win streak for them. The Rockets are 2-1 this year and should be 3-0 if not for a for a late blown lead vs Western Michigan. They crushed EMU last week even with QB Eli Peters getting hurt (check status). Meanwhile, they're taking on a Ball St team that is 2-1, but 0-3 ATS as they struggled as a big favorite vs Northern Illinois last week. The Cardinals do have the QB edge here regardless of who is behind center for UT.

OHIO 40 Bowling Green 14. Obviously, BG is one of the worst teams in the country getting outscored by 32 ppg and outgained by 210 ypg. However, last week they did get a cover vs Buffalo despite allowing 396 rush yards and 42

points. On the other side, Ohio saw their game vs Miami, OH cancelled last week. The Bobcats have not looked themselves so far at 0-2 ATS and in their last game, they were outgained 435-307 to lowly Akron. With that in mind, we don't see much value here

Miami, OH 37 AKRON 20. Don't see how this line is only 14. The Zips are -31 ppg on the season and have been outgained by 161 ypg. Last week they allowed 750 yards and 69 points to Kent St. That's now 20 straight losses for them by an average of 25 ppg and they are just 4-16 ATS (-9 ppg) in that stretch. Meanwhile, Miami needs a feel-good win after getting crushed by Buffalo and then seeing last week's game vs Ohio cancelled due to COVID.

Tulsa at Houston was postponed due to COVID issues at Houston. Utah at Arizona St was cancelled due to COVID issues at Arizona St.

BOISE ST 35 San Jose St 23. Boise St is 13-0 SU vs San Jose St but has failed to cover the last two match-ups. San Jose St is 4-0 for the first time since the 1950's and this is one of their more important games in recent memory. The Spartans have won with defense this year only allowing 15 ppg. Meanwhile, it's just another game for the Mountain West's best program as the Broncos come back from the Islands after getting back-doored by Hawaii. Boise has topped 40 points in every game outside of BYU but it should be noted they have been outgained on the season. That keeps us off them here.

APPALACHIAN ST 32 Troy 19. App St is just 1-7 ATS this season but the Mountaineers probably should have covered vs unbeaten Coastal Carolina last week as a late "Pick 6" did some of their backers in. Meanwhile, Troy lost outright to Middle Tennessee as a double-digit favorites. The Trojans didn't have their coach Chip Lindsey due to COVID. He is expected to return for this game. QB Gunnar Watson did return and threw for 300 yards however, the concern here has to be a Troy offense that doesn't have much balance as they've failed to top 100 yards rushing in any of their last 4 games. We bet Troy +18 on Sunday but don't see much value now.

2★ UCLA 42 Arizona 28. Arizona had a misleading 44-27 loss to Washington last week. The Wildcats actually trailed 37-0 entering the 4Q and got 300 of their 331 yards of total offense in garbage time. Meanwhile, we lost on these pages fading UCLA last week. Despite playing with a backup QB, they probably should have beat Oregon outright as they had a 267-88 rushing yard edge but were -3 in TO's (including a "Pick 6" on the final play of the first half). QB Dorian Thompson-Robinson should return here and even if he doesn't we think there is value on UCLA. The Bruins are -7 in TO's but are 2-1 ATS and +86 ypg. This could be an underrated team as after trailing 35-7 to Colorado in the first half, they've outscored their opponents 104-61 in the last 10 quarters.

USC 37 Colorado 26. Colorado is off to a surprising 2-0 start pulling outright upsets over UCLA and Stanford. Last week they did see their game vs Arizona St cancelled due to COVID issues at Arizona St. Meanwhile, USC is 3-0 this season but we haven't been overly impressed. They won their first two games in the final minute vs Arizona St and Arizona and last week were +3 in TO's vs a Utah team playing their first game of the season. Our power ratings say USC is the play but we're passing.

UTSA 33 North Texas 30. UTSA has certainly over-achieved so far this sea-

son at 6-4 SU under first-year coach Jeff Traylor. However, last week they didn't cover an inflated spread vs Southern Miss and were actually outgained. Meanwhile, North Texas off a long layoff beat Rice by 10. UTSA does have the better defense but the Mean Green may have figured some things out on that side of the ball during their month absence.

OKLAHOMA ST 35 Texas Tech 21. We won on these pages fading Oklahoma St last week in their blowout loss to Oklahoma. QB Spencer Sanders was banged up during the game but should return. Will there be a letdown here vs a Texas Tech team off a bye? The Red Raiders are 0-3 ATS this year on the road. We lean with Oklahoma St.

Ohio St 48 ILLINOIS 20. If it wasn't clear before, it is now...this year's Ohio St team is not nearly as good as last year's team. They're missing JK Dobbins at RB and Chase Young at DE. However, the biggest area of concern is a pass defense that was just torched for the most pass yards against them in 35 years (495 by Indiana QB Michael Penix). It also didn't help that QB Justin Fields threw 3 INT's which is as many as he threw all last season. Meanwhile, Illinois got a dominant upset win at Nebraska last week. Brandon Peters returned at QB for the first time since the opener and the Illini ground game has topped 285 yards in back-to-back weeks. Still, they're out-classed here.

Coastal Carolina 37 TEXAS ST 23. First, we think Texas St should be applauded. The Bobcats will complete a full 12-game with the conclusion of this game. Despite a poor record, they certainly haven't given up on the season as they have covered 4 straight and after nearly pulling the upset vs Georgia Southern, they broke through and upset Arkansas St last week. Meanwhile, this isn't a great spot for Coastal Carolina. They're off a big win vs Appalachian St that was aided by a late "Pick 6". They also have a big game vs Liberty on deck. We like the Bobcats.

ARKANSAS ST 33 South Alabama 27. Both teams are off disappointing performances. Arkansas St was upset by Texas St as they have lost 4 straight games to drop to 3-6. The Red Wolves will be heavy favorites in their next two games so they need this one for bowl eligibility (if there's such a thing in 2020). Meanwhile, South Alabama has also lost 4 straight games (0-3-1 ATS). Do note the UNDER has cashed in 6 straight games for them and that is where our lean is.

ALABAMA 44 Auburn 20. These two teams have split out their last 40 meetings and despite Alabama's dominance in the sport over the last decade-plus, they've lost 4 times to Auburn since 2010. They will be playing with revenge here and Saban has covered the last 4 times he's had revenge vs Auburn. If you're wondering when was the last time Auburn was catching this many points, it was actually the last time they played here as they were 26.5-point underdogs at Alabama in 2018 (lost 52-21). The Tigers are 5-2 SU and have covered 3 straight games. However, they're taking on by far the best team in the country as Alabama has covered 4 straight games and are off a 63-3 beat down of Kentucky. The Tide are +30 ppg and +189 ypg despite playing a SEC only schedule. We bet Auburn on Sunday and we think we made a mistake especially with Auburn RB Tank Bigsby possibly being out.

Florida Atlantic 26 MIDDLE TENNESSEE 21. FAU hasn't looked great

this season but kudos for Willie Taggart and Co who were put in a tough spot with an inexperienced team and a lack of spring practice. Still, the Owls are 5-1. Also after a really poor start, Middle Tennessee has covered 5 of their last 7 games and pulled an outright upset over Troy last week as double-digit

underdogs. We have a slight lean on the home team.

BAYLOR 27 Kansas St 22. Baylor really needs a win as the Bears have lost 5 straight since the opener but do come in off a bye and have been close in recent losses to Iowa St and Texas Tech. Close does not represent the beat down Kansas St took last week vs the Cyclones as they fell 45-0. The Wildcats, who came into last week with 12 active cases of COVID, were missing starting LB's Justin Hughes and Elijah Sullivan. We lean OVER as the two teams have seen their games average 54 total ppg.

TEXAS A&M 37 Lsu 23. Texas A&M is 1-7 SU (-15.9 ppg) and 0-7-1 ATS (-9.4 ppg) vs LSU since 2011. These are two teams that are heading in opposite directions at least for this year. The Aggies are No. 5 in the recent CFB Playoff poll but we are cautious. After they were just beginning to hit their stride, they haven't played in two weeks. Last week LSU got a much-needed win over Ar-kansas although they were fortunate. Since the line crossed through a key "14" we'd actually lean LSU now.

RICE 31 Utep 20. UTEP played 4 games in 4 weeks to start off the season. They have played a total of 3 games since September 26th so its been tough to get a feel on them and they had one of their worst performances in their last game losing 52-21 to UTSA. Meanwhile, Rice has only played 3 games so far this season but one of them was last week in a 10-point loss to North Texas. We bet Rice -7 on Sunday but now at the current number the Owls haven't been this large of a conference favorite since 2014. We like the OVER.

OLE MISS 41 Mississippi St 30. Egg Bowl where it's been super competitive with Ole Miss holding a 21-19 advantage the last 40 years. However, the Rebs have lost two straight including last year's thriller thanks to a missed extra point after a stupid penalty. Where did that performance come from? We're talking specifically about Miss St who nearly pulled a shocker last week vs Georgia. Considering the Bulldogs were 0-5 ATS in their previous 5 games, maybe they haven't waved the white flag on the season. Meanwhile, Ole Miss saw their game vs Texas A&M cancelled. The Rebels had won two straight scoring 50-plus points vs Vandy and South Carolina. If given the opportunity we feel Lane Kiffin will keep the foot on the gas pedal here. We lean OVER.

UL-Lafayette 40 UL-MONROE 14. Nine of the last 11 meetings have been decided by 7 points or less but safe to say this one won't be. This is the largest away favorite role for ULL in school history. ULM is 0-8 SU this season and hasn't played the last couple of weeks. Their starting QB Colby Suits is out for the season but Jeremy Hunt did throw for 339 yards and 3 TD's in relief

vs Georgia St. Meanwhile, ULL saw their game vs Central Arkansas cancelled last week. They do have a huge game at App St on deck. We're not getting

Nevada 34 HAWAII 26. We probably shouldn't bring this up but Nevada has revenge for a 54-3 loss to Hawaii last year as a 2-point favorite. It was our worst loss on these pages in our history. The Wolf Pack are 5-0 this year while Hawaii has been struggling. The Warriors got a cover last week vs Boise St but it was misleading as they scored a couple of garbage time TD's. Our favorite Sunday bet this week was Nevada -2. However, we can't recommend laying 7 now.

Memphis 39 NAVY 24. Obviously, Navy is not a good team this year but somehow they are 3-4 straight up on the season. Some late scoring in each of their last two games vs Houston and SMU (two teams very similar in power ratings to Memphis) is masking how bad the Middies really are. Houston was a 15.5-point favorite at Navy a few weeks ago and covered. How is a similar Memphis team only laying less than 2 TD's? Memphis almost got upset two weeks ago to USF but they outgained the Bulls by 205 yards and gave up a defensive TD. Yes, Navy has gave Memphis fits in the past but this is not your older brother's Navy team...they're throwing more than any time in 20 years.

2★ BOSTON COLLEGE 31 Louisville 26. Boston College comes in fresh off a bye after playing 9 straight weeks to start the season. The Eagles haven't had any COVID issues this season and need one win in their final 2 games to achieve a respectable winning season under first-year coach Jeff Hafley. They're taking on a Louisville off one of their most complete performances of the season beating Syracuse 30-0. We like BC here as QB Phil Jurkovec should be closer to 100% after hurting his shoulder vs Clemson. Also BC has alternated wins and losses for 8 straight weeks. Big disparity in TO's here as BC is +7 while Louisville is -12.

MISSOURI 31 Vanderbilt 17. Another game that was just announced yesterday as both teams had games cancelled this week. Tough spot for Vanderbilt but the Commodores have been scrappy the last few weeks with 3 straight covers all by double-digits. Missouri is off a win at South Carolina but the Tigers offense hasn't topped 20 points in any of their last 3 games. Do you want to lay more than 3 TD's with that?

WASHINGTON 27 Utah 20. This game was just put on the schedule yesterday as both teams had games cancelled this week. Washington had a misleading 44-27 win over Arizona last week as the Huskies led 37-0 entering the 4Q and then gave up 300 yards and 27 points in the 4Q. Utah is off a loss to USC as the Utes had 5 TO's. A line hasn't really been posted yet on this one but we lean UNDER.

Tuesday, December 1st
CHARLOTTE 28 Western Kentucky 24. This game was post-poned until this date due to COVID issues at Charlotte. The 49ers haven't played in a month so "Rest vs Rust" comes into play especially against a WKU team that is playing a 9th straight week. A line hasn't really been posted yet on this one but we lean with Charlotte as WKU is just 2-7-1 ATS this year.

Week 13 Computer Projected Lines for Every CFB Game

For the past four seasons we have posted computer projected lines for every game. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 302-252-12 (55%) clip the last three years. That's pretty solid and actually better than our own handicapping in some seasons. Last week's plays went 7-4 and now the record for this year is 46-37. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 10 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Indiana -11.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

THE POWERS' PACK

1★ MINNESOTA (-3.5) over Carolina 1★ ATLANTA (+3) over Las Vegas 1★ San Francisco (+7) over L.A. RAMS

Games in Rotation Order Thursday, November 26th **HOME TEAM IN CAPS**

Houston 26 DETROIT 24. Note per ESPN's Daily Wager NFL favorites on Thanksgiving are 33-13 ATS since 2014. Now that we have gotten that out of the way, what a disgusting performance from the Lions last week. We bet them +1.5 on thee pages last week, they closed 3-point favorites as the Panthers were depleted and they suffered the first shutout loss in 159 starts for QB Stafford. Meanwhile, the Texans more than showed up in their upset over New England last weekend. QB Deshaun Watson has 12 TD's and ZERO INT's in his last 5 starts. However, we're not thrilled with laying a FG with them on the road. DALLAS 24 Washington 20. Washington crushed Dallas in the first meeting outgaining the Cowboys 397-142. Dallas got a big win last week pulling an outright upset over Minnesota to keep in the wild, yet sad NFC East race. Per sources a team meeting with Mike McCarthy smashing watermelons seemed to went over well in the locker room. Meanwhile, Washington took advantage of a Cincinnati team that lost Joe Burrow and the Football team is also in the hunt for a division title. Dallas is just 1-8 ATS their last 9 on Thanksgiving. We don't see much value here. We lean with Dallas but prefer the UNDER.

Baltimore at Pittsburgh was postponed until Sunday.

<u>Sunday, November 29th</u>

PITTŠBURGH 25 Baltimore 22. One of our more head scratching losses on these pages came a few weeks ago in this match-up. Baltimore had a 457-221 yard edge but somehow lost to Pittsburgh because of 4 TO's. The Ravens have been fading with 3 losses in their last 4 games after losing outright at home to Tennessee last week. They did catch a break with this game being postponed until Sunday. Meanwhile, the unbeaten Steelers continue to cover point spreads as they are 8-2 ATS on the season and need to keep pace with the Chiefs who are nipping at their heels. 14 of the last 25 regular season matchups have been decided by 3 points or less. We think this one goes down to the wire as well.

1★ ATLANTA 27 Las Vegas 26. Not a great spot for the Raiders here off a prime-time SNF all-out effort vs the Chiefs (much to our dismay on these pages) and now they're playing across the country at 10am PT. Last week's loss to the Saints was not ideal for Atlanta but they are a Todd Gurley mental error away from being 4-1 SU/ATS under inerim coach Morris. QB Matt Ryan was sacked 8 times and he threw 2 INT's in a game for the first time this season. We don't think that will happen again here.

NEW ENGLAND 25 Arizona 24. A very disappointing effort from the Pats last week vs the Texans especially after a pair of wins looked like it was going to turn their season around. Meanwhile, Arizona has extra prep after a loss to Seattle. Only in 2020, would you not scoff at the Cardinals being a road favorite at the Patriots! Note the Patriots are 4-0 SU and 4-0 ATS as a home dog since 2006 including an outright upset of Baltimore a few weeks ago. We would take the Pats as a best bet on these pages but have had horrific luck in their games this year. N.Y. Giants 24 Cincinnati 17. The Giants come in fresh off a bye. They're 7-3 ATS this season and are firmly in a division race under first-year coach Joe Judge. Meanwhile, the Bengals should be deflated after losing QB Joe Burrow to serious injury last week as they were up 9-7 when he went down only to collapse in Washington. Brandon Allen will get the start here at QB. What a mess. The last time NY was laying this many on the road was 2016. However, the Giants have covered 8 straight games on the road. Make it 9 straight covers.

Cleveland 28 JACKSONVILLE 21. This is tied with the 2019 Jets games as the largest away favorite role for the Browns since they returned in 1999. The Browns are closing in on their first playoff appearance in nearly two decades after their win over the Eagles last week. We had the OVER on these pages in that one. The two teams had 3 trips inside the opponents' 10-yard line result in ZERO points. Can't get a break in the NFL this year (we have in CFB). Meanwhile, the Jags are just playing out the season at 1-9 and were crushed by Pittsburgh last week. Tough trusting the Browns in this rare spot but we certainly don't want Jacksonville here.

1★ MINNESOTA 27 Carolina 21. Seems like a good spot to back the Vikings here after a poor performance last week in an upset loss to Dallas. Minnesota had won and covered 3 straight prior. Meanwhile, the Panthers are playing a 12th straight week. We have to give them their props last week for crushing us on these pages with a 20-0 win over Detroit even with backup QB Philip Walker in the line-up. Teddy Bridgewater should be back for this one and Christian McCaffrey too. Still, we like Minnesota who is 46-22-3 ATS vs non-division opponents under head coach Mike Zimmer.

INDIANAPOLIS 28 Tennessee 24. These two just played a few weeks ago with Indianapolis cruising to a 34-17 victory on a Thursday Night. It is interesting to note the Colts despite playing on the road in a short week were favored in that one as they took a ton of money in the market. Now, we've seen Tennessee take money this week. Both teams got huge OT wins last week and both rallied from double-digit deficits. The Colts have dominated this series going 20-4 SU and 16-8 ATS in their last 24.

BUFFALO 31 L.A. Chargers 24. What do you know, the Chargers failed to cover a point spread last week due to some questionable coaching decisions. QB Justin Herbert deserves better as he is the first QB to throw at least 2 TD passes in his first 7 games. Meanwhile, the Bills come in fresh off a bye after they had to lick their wounds for a last second loss to the Cardinals. ESPN Stats and Info said rookie QB's from California teams are 1-14 SU in the Eastern Time Zone since the merger. Huge coaching mismatch here.

Miami 23 N.Y. JETS 19. Another historic line here with the Dolphins laying their biggest point spread on the road since 2008. We tried to tell you Miami was overrated but after coming up short fading them in back-to-back weeks, the Dolphins finally showed their true colors in a loss to Denver last week. Tua had 83 yards passing through 3Q's and was banged up after taking 3 sacks. Fitzpatrick replaced him late. The Dolphins are -171 ypg in Tua's four starts despite a 3-1 record (Tua will start here). It is tough backing the 0-10 Jets but they have covered 3 of their last 4 games and could get back Darnold.

New Orleans 24 DENVER 20. Even though the Saints impressed last week in an easy cover over the Falcons, we're not willing to lay nearly a full TD on the road here with Taysom Hill. Hill did go 18 of 23 for 233 yards along with 51 rushing yards and 2 TD's. However, the Broncos showed some life last week with an outright upset over the Dolphins. Denver had 189 yards rushing. Do note the Saints are now 6-0 SU and ATS the last two years without Drew Brees at QB. That keeps us off the Broncos as a top pick.

1★ San Fran (plus the points) L.A. RAMS 24 San Francisco 20. The banged up 49ers come in off a much-needed bye after they had lost and failed to cover in 3 straight games. San Francisco did pull the outright upset over the Rams earlier this season. Nick Mullens will get the start here at QB and we expect a solid effort. Meanwhile, the Rams are playing on a short week after their big win on MNF over the Bucs.

KANSAS CITY 31 Tampa Bay 27. Obviously, a marquee match-up that probably should get flexed to SNF. Tampa Bay has failed to cover in 3 of their last 4 games and they are off a disappointing loss to the Rams. It looks like they are getting worn down as they are playing their 12th straight game here. Meanwhile, the Chiefs crushed us on these pages last week in their non-cover vs the Raiders. Still have to be amazed with the skills Mahomes showed on that game-winning drive. Lean Chiefs and the OVER.

GREEN BAY 26 Chicago 17. After their hot start, the Bears have lost 4 straight games and when we recommended betting UNDER their season win total in our season preview, this is more what we expected from them. Note they've only been favored in one game this season! Meanwhile, you have to think the Packers are looking to take some frustrations out after blowing a double-digit lead last week to the Colts. The Packers have dominated this series for a quarter-century with a 40-13 SU and 34-18-1 ATS mark. More of the same here.

Monday, November 30th

Seattle 27 PHILADELPHIA 22. The Seahawks come in off extra rest after a key win vs the Cardinals last Thursday. After winning the Super Bowl three years ago, Philly is 22-22-1 SU and 18-26-1 ATS. After a bye week where they had a chance to take control of the sad NFC East division, they've lost to the Giants and continued to make mistakes in the red zone in a loss to the Browns. QB Carson Wentz has lost 9 fumbles, he's thrown 14 INT's, he's taken 40 sacks. He's overrated and now you see why they drafted a QB last year. We think Seattle is a little overrated but we want nothing to do with Philly at this point.
