Additionally, an ICES membership gives you a voice both locally and internationally. You can vote on issues both large and small, including local offices such as State Representative, Alternate, Secretary, Treasurer. Only those with a continuous membership for a minimum of one year are eligible to hold office.

One of the best benefits is the opportunity to be part of a community where you can meet others who share your passion for sugar art. You'll make friends and network with people from all over the world you may never have encountered otherwise.
