NEW BUSINESS AND REMINDERS

A motion was passed at the last club meeting that a club rule banning swapping or redistributing of boat number by anglers would be drafted and added into club rules.

Nominations for officers were conducted and no nominees for board positions were offered. As voted by club members all current officer seats are to be held by incumbents for the upcoming 2020-2021 tournament seasons.

Qualifying anglers and boat positions for the Wane Oder Classic will be determined following the club tournament at Lake Placid on Sunday, February 9th. The location of the Classic will be voted on by the qualifying anglers at this time. Any anglers that may potentially qualify for the Classic (top 16-point

holders) please stay following the conclusion of the weigh in at Lake Placid to conduct these proceedings.

Club T-Shirts are available. If anyone is interested in purchasing a club shirt please see Lori Snow. Both short and long sleeve shirts in various sizes and colors with the club logo printed on them are available

Any anglers competing in club events please be aware of club tournament rules and observe these rules during tournament fishing. Any anglers that do not abide by these rules are subject to penalty and / or disqualification
