Research Projects

- 2014 to present: **Government Funding of Nonprofit Organizations** began with an examination of public library foundations and friends’ organizations, currently examining grant funding of local governments to nonprofit human service organizations, plans to research local government funding of nonprofit economic development organizations.
- 2013 to 2015: **Poverty and Inequality Research-to-Action Collaborative (PIRAC)**: a multi-disciplinary research-to-action program that engages nonprofits, elected officials, public agencies, researchers and residents in constructive dialogue about the causes, consequences, and best ways to alleviate poverty and inequality.
- 2012 to 2014: **Capacity of Arts Organizations** using database of audited financial statements for organizations, capacity issues around issues of performance management, financial vulnerability and government funding
- 2012 **Member of the Alternative Service Delivery Project** funded by HR Green Project, Center for Governmental Studies, NIU. Presentation and report on “Municipal Government Contracting”
- 2011 **Member of the NYU Wagner Graduate School of Public Service and Charity Navigator Working Group on Transparent Nonprofit Performance Management**, funded by support from the Hewlett Foundation. Convened to explore effective approaches and tools for teaching performance measurement and management, with a special focus on nonprofit organizations and on transparent reporting of results.
- 2006-2009 **Member of the International Working Group on Online Consultation and Public Policy Making** (www.reconnectingdemocracy.org). U.S. participation in the groups was supported by \$280,000, made possible through a \$1 million grant from the National Science Foundation’s Digital Research Program. The individual working groups convened to develop joint research agendas on critical international questions, produce white papers on key topics, and initiate joint research projects to continue after the three-year start up period.

Alicia M. Schatteman

- 2007-2009 **Co-Director of National Center for Public Performance - Canada** (www.ncpp.ca) a new website that compares and contrasts public performance measurement in the United States with Canada and creates some networking opportunities for researchers on both sides of the border
- 2005-2008 **Research Associate** for the “Public Performance Measurement and Reporting Network” (www.ppmrn.net), a project of the National Center for Public Performance in the School of Public Affairs and Administration, Rutgers University, Newark, New Jersey. I was on the team that developed the Network website functionality and content.
- 2007-2008 **Research Assistant**, “Internal and External Perspectives: Collaborating to Strengthen the Relevance and Utilization of Performance Measurement”, a project of the IBM Center for the Business of Government, follow-up to the Community Indicators Consortium 2005 Conference. Lead researchers Dr. Kathe Callahan and Dr. Kathryn Kloby
