

# Train Fun Run

Sixty-five people enjoyed a train fun run sponsored by Open Roads ABATE of Illinois, Inc. Chapter on Saturday, April 21. People boarded a train departing from Aurora to their first stop at ZuBar in Brookfield, second stop at The Garage in Berwyn, and third stop at Phil's Bar and Grill in Brookfield. People enjoyed the day with the camaraderie they shared with each other, foods and refreshments at each stop, games and prizes throughout the day, t-shirts and koozies, playing Jenga, and admiring sports memorabilia at the stops. Many participants were from the Plano American Legion and Auxiliary, Open Roads ABATE of Illinois, Inc., and local communities. Kevin and his committee did a great job coordinating the event with many activities for the participants who went on the Train Run.
