

# Vision Statement

---

Vision statement- a long term view which describes the desired future state of an organization in terms of its fundamental objective and/ or strategic direction.

Within the next five years Chanooka Wish will establish a building and become known for providing multiple levels of assistance to underprivileged families by acquiring knowledge, skills and necessary resources to accommodate these objectives.

Chanooka Wish's vision is to be known as the townships central location for underprivileged families to get assistance on a variety of needs, such as, food assistance, school supply assistance, resumes assistance, job hunting assistance, financial education....
