

THE GLOBAL HUB FOR SMART CITY VENTURES

Urban Ventures
NETWORK
TEN THOUSAND CITIES

The Urban Ventures Network (“UVN”) is a Vancouver-based incubator and global marketing network for smart city solutions.

Inspired by the future of cities? Join with **UVN** to reinvent all ten thousand of them!

UVN offers **entrepreneurs** incubation, immigration, funding, and seed ideas for launching smart city startups and branch operations in Vancouver.

And whatever city is home, **UVN** offers **solution providers** and **local partners** profitable participation in our global network of smart city solutions.

And if you are an **investor**, **UVN** will help you get your smart money into smart city opportunities.

Vancouver is an ideal home for living, working, and changing the world!

Review the **UVN** opportunity at www.urbanvn.com then arrange for your private interview with our president:
