Message from the Elders

We will be resuming in-person worship services at the building, this Sunday (May 17th) at 10:30 AM. We will only have a morning worship service, no Bible study or evening service. We will continue to live stream the service on Facebook. John Dale will be our speaker for this Sunday and next Sunday.

As we return to worship, we ask you to be aware of the following:

Consider your health and the health of others as you return to worship, particularly those who are in a high risk category, who have an elevated temperature or COVID-19 symptoms.

We will practice social distancing as we assemble, maintaining the 6ft distance requirements. As we assemble to worship in the auditorium, we are suggesting that families sit together and maintain a 6ft distance from others around you in the pews.

For communion, we will use the individually packaged communion which will be available for you to pick up as you enter the auditorium. No trays will be passed during the service. We will make arrangements to collect the contribution.

We encourage the wearing of masks during worship for your health and the health of others.

Hand sanitizer and hand washing stations will be available at the building.

Other information will be available Sunday morning.

Please use your best judgement regarding your health and the health of others as we assemble once again.

I was glad when they said to me, "Let us go into the house of the Lord." (Ps 122:1 NKJV)
