1	Our admin is amazing!	
2	Staff are not treated the same. There is heavy favoritism. Certain people are listened to or catered to in that they get the grade level they want, the students they want, and they don't get the students they don't want. Other people are not listened to at all, they don't get the grade level they want, and they get the kids the other teachers don't want.
