

APS

Albuquerque Public Schools Hearing Impairment Services provides support throughout the district to students who have been diagnosed with a hearing loss impacts educational performance. Services may include Itinerant, or consultation in a student's neighborhood school, classroom consultation, or direct instruction in American Sign Language in one of the district specialized classrooms.

Placement in the Hearing Impairment Services program must be determined by the student's IEP team. Please contact the Instructional Manager if you have any questions about services or consideration of placement in the program.
