

P.O. BOX 49, PIERCETON, IN 46562

The Pierceton Chamber of Commerce is excited to announce the July 2019 Member of the Month winner as Beyond the Barn. Beyond the Barn offers a large variety of affordable rustic country, farmhouse and primitive décor items.

Although the store front opened in downtown Pierceton in March of 2018, the adventures of Beyond the Barn truly started in 2014 on the family farm. As suggested by the name, owner Dawn Boggs realized the items in the barn had a purpose beyond being used for the initial purpose and the décor items they could become. For example, the feed sacks from the family farm are currently being sold as pigs or even bunnies after being precisely sewn by Boggs' sister, April Kindig.

Attending many primitive events with her sister, Boggs began showcasing items with her corn crib wood signs along with her sister's hand-crafted primitives. After attending many shows a year, Boggs explained "I found myself inspired to be able to have an avenue to showcase my sister's items further." Currently available in the store, customers can find handsewn items such as snowmen, rabbits, pumpkins, carrots, pigs and sheep.

Beyond the Barn takes strong ownership in the pieces they display. "We don't just sell décor items. Each item is hand picked for that someone special that we know it will have a special meaning for them." Boggs stated. Giving back and supporting the local community a vital component of the business model at Beyond the Barn. Boggs explains that items sold within the store are locally made or crafted. For example, artwork for sale within the store are from Billy Jacobs who is a local artist from Ohio who specializes in painting of old barns, farm homes, and covered bridges. The Chala handbags sold in store are also directly benefiting the national Heart and Home Animal Rescue Foundation.
