Welcome Back Packing List

We are so thrilled to be reopening for our LPE families! Included below are reminders of what's required daily as well as additional items that your child will need while in our care. For everyone's safety, all items must be labeled with your child's full name, initials may not be used.

On your first day of return attendance please look by the office area for a paper bag containing your child's belongings that were left at LPE while we were closed. Your child's name will be on the bag and we ask that all items are washed before being brought back to LPE if you would like any of those items to return to LPE. Please send the following to school daily:

- ★ Nap: bring 2 crib sheets for your child and a small blanket on the first day of attendance each week. Sheet and blanket must fit in a small bag that will go inside your child's cubby. Please no stuffies, pillows or large nap bags. Your nap items will be sent home if soiled immediately and sent home on Fridays or your last day of attendance for the week for you to wash and return.
- ★ Clothing/Bibs: bring at least 2 sets for clothing for your child and they are to be placed in a bag that will be placed in your child's cubby. If your child goes through more than that many outfits, please provide more. Children's clothing will be changed when they are soiled at any time and sent home that evening. Please send enough bibs for each meal.
- ★ Shoes: make sure your child's shoes are labeled
- ★ Utensils/plates/sippy cups: provide spoons, forks, bowls, plates and a sippy cup for your child each day. If they are not provided, we are unable to provide them for your child and you will be contacted to drop them off at LPE for their feedings.
- ★ Bottles: label all bottles with your child's name and please label if it contains breastmilk or formula.
- ★ Food containers/food items: label all containers and food items that are in your child's lunch bag including the bag.
- ★ Wet Bag with zipper for soiled items
- ★ Children that require diaper changes must provide a waterproof diaper changing pad. Please no cloth changing pads, we must be able to sanitize them.

Welcome back to LPE!
