IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

The work available to graduates of this program is usually for freelance or self-employment.

This type of work may not be consistent.

The period of employment can range from one day to weeks to several months.

Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.

You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.

Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.

Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in

this manner and understand what comprises this workstyle.

Student Initials: _____ **Date:** _____

Only initial after you have had sufficient time to read and understand the information.

Definitions

Number of Students Who Began the Program means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

Students Available for Graduation is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

Number of On-time Graduates is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.

150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).

150% Completion Rate is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

Graduates Available for Employment means the number of graduates minus the number of graduates unavailable for employment.

Graduates Unavailable for Employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

Graduates Employed in the Field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Number of Graduates Taking Exam is the number of graduates who took the first available exam in the reported calendar year.

First Available Exam Date is the date for the first available exam after a student completed a program.

Passage Rate is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

Number Who Passed First Available Exam is the number of graduates who took and passed the first available licensing exam after completing the program.

Salary is as reported by graduate or graduate employer.

No Salary Information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days/hours in the current payment period in your program through the last day of attendance.

Cancellation of this agreement can occur up to: _____
Date

2. Cancellation may occur when the student provides a written notice of cancellation at the following address: 117 S. Louise St., Glendale, CA 91205. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.
