We have this day
restored the
Sovereign to whom
all men ought to
be obedient. He
reigns in heaven
from the rising
of the sun to the
setting of the
sun, let His
Kingdom come.

Our hearts were saddened at the start of the New Year with the death of our beloved Henry Mosley on December 30, 2019. Mr. Henry served as ICS Maintenance employee for 20 years. He was such a sweet soul that was consistently faithful and loyal to ICS. He was not only an employee, but a friend and father figure to many. We will miss him dearly. Our thoughts and prayers are with his family.

Can you believe it, the school year is half way through and much has happened in the 1st

Science Fair

Semester; Spirit Week, Science Fair, and the Fun Run. Students worked hard on their science projects and did a great job sharing their experiments with the school and judges. The Fun Run was exactly that. We had a picture perfect fall day in October and students and staff experienced a great work out while having fun. It was encouraging to see the enthusiasm and support each student gave to one another.
