

**South Pool League
2020 - 2021 Season
Welcome to all Players!**

Start Date: Thursday November 5, 2020

Start Time: 7:00pm (unless otherwise arranged) Forfeit at 7:30pm

Cost is \$7.00 per player - \$40.00 sent in with score sheet - Payback on rounds won

\$1.00 per player per night will go towards year end tournament

Will play every team once

Will take Thursday Nov. 26th, Dec. 24th & Dec. 31st off

4 regular players & 6 subs per team, roving subs are allowed but always use the same name - First and last name on scoresheet!!

Scoring: 10-7 scoring system. Each round will be worth 1 point and 1 point for total points; ties are worth ½ point, for a total of 5 round points. Play scratch on the first night. Handicaps will be fractioned so round up or down. Up to a .49 is rounded down and .50 and up is rounded up

Example: 6.00 to a 6.49 is a 6 and 6.50 to a 6.99 is a 7. Lowest average a player can be is a 5.

Whichever team has the lowest team total average gets the handicap points.

Does NOT matter the team standings.

Definition of a push shot: a billiards shot in which the cue remains in contact with the cue ball until the cue ball has touched the object ball or one in which the cue strikes the cue ball twice

Rack and break your own rack

Ball in hand rules – play scratch the 1st night – NO COACHING

Will not use the patch – make sure and call your pocket

If a player scratches on the break the next shooter shoots out of the kitchen and if that player scratches it is ball in hand any where on the table

Slow Play: if a player is playing slow, taking longer then 1 minute to shoot, the 1st time the opposing player calls you on it, will be a warning first time, and 2nd time it will be a foul

Year End Tournament: Pay back 6 places.

Will have 3 rounds of play on Thursday nights, Feb. 25th, March 4th & March 11th, with the final rounds on Sat. March 13th @ Bellingham Legion

Players need 12 games of league play, if a player is short on nights, all team captains will vote the day of tournament on whether to let them use current handicap or be a 10 handicap. When tournament starts you must stay with the same team you started with, no joining another team if your team is beat out.

No championship match can start after 10:00pm, games must be announced, and if a championship has been started before 10:00pm it must be finished off unless both team captains agree to finish it at a later date

Put first & last names on all score sheets, NO Nicknames, always use the same name, as we do not know everyone!!
