Updating the information in the Asgard eWRAP Investment Financial Services Guide (and IDPS Guide) and Additional Information Booklet

This update, dated 14 December 2020, relates to the Asgard eWRAP Investment Financial Services Guide (and IDPS Guide) (Guide) and Additional Information Booklet (AIB). This update is issued by Asgard Capital Management Limited ABN 92 009 279 592, AFSL 240695 (Asgard). It should be read together with the Guide and AIB (as updated).

Changes to references to Dealer Group

All references to 'Dealer Group' in the Guide and AIB are replaced with 'Licensee'.

Changes to 'Additional explanation of fees and other costs' section of the Guide

Within the heading 'Adviser remuneration/fees' the following information is deleted:

Our fee structure provides you and your financial adviser with flexibility when determining the fee payable for the financial advice and related services they provide to you in relation to your account. You can negotiate these fees by speaking with your financial adviser.

The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser:

- > Adviser fee Establishment
- > Adviser fee Upfront
- > Ongoing adviser fee
- > One-off adviser fee.

You may agree to one or more of these options.

and is replaced with:

Our fee structure provides you and your financial adviser with flexibility when determining the fee payable for the financial advice and related services they provide to you in relation to your account.

The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser.

- > Adviser fee Establishment

About Asgard Infinity eWRAP Investment

The managed investments and shares components of Asgard Infinity eWRAP Investment are an IDPS. The Cash Account is a bank account offered by St.George Bank (St.George, St.George Bank or the Bank), a division of Westpac, in respect of which you may pay fees to St.George.

General advice

The provision of the investments available through Asgard Infinity eWRAP Investment or any other information, example or statement in this Guide is general information only and should not be taken as the giving of financial advice by us as we're not aware of your objectives, financial situation and needs. Before acting on the information in this Guide, you should consider whether the information is appropriate for you in light of your particular objectives, financial situation and needs and consider obtaining financial advice.

When you invest through an Asgard Infinity eWRAP Investment account in managed investments offered by investment managers, including Advance Asset Management Limited, BT Investment Management (Institutional) Limited and other companies within the Westpac Group, those investment managers may receive fees in relation to your investment in that product. These fees may include contribution fees, ongoing fees, withdrawal fees and any other fees specified in the product disclosure statement for the managed investment.

1. About Asgard Infinity eWRAP Investment

Asgard Infinity eWRAP Investment is a flexible wrap platform account that can be tailored specifically for you as your investment needs change.

Our Core offer may be suitable when you're just starting out, and you can add a range of optional features as your investment strategy evolves to meet your changing lifestyle needs. With access to cash, term deposits, managed investments and listed securities, it gives you complete flexibility, extensive choice and great value, as our modular pricing ensures that you only pay for the features you use.

Asgard Infinity eWRAP Investment provides you with a total solution to help achieve your investment goals. Simple and clear reporting, with consolidated transaction and valuation information provided on your investments, makes it easy for you and your financial adviser to manage your financial affairs.

Key features of Asgard Infinity eWRAP Investment

As an investor with an Asgard Infinity eWRAP Investment Account (account) you have access to a wide range of flexible features that allow you, with the help of your financial adviser, to tailor your account to suit your financial needs. These features include:

- > Flexible fee structure so you pay only for what you use. One of the major advantages of Asgard Infinity eWRAP Investment is that you can control the total cost of your account by only choosing the features you use. You can also negotiate the fees you pay to your financial adviser in relation to your account.
- > Extensive investment menu. You have access to a Cash Account, term deposits, managed investments and ASX listed securities including direct shares, listed property trust and exchange traded funds (ETFs) (with the exception of mFund products¹ and exchange-traded Australian Government Bonds) and derivatives.
- > Wholesale prices and fee rebates. The managed investments available are typically not available to retail investors directly and generally have lower investment fees than retail managed investments. We may also be able to negotiate rebates on the fees charged by some investment managers which will be fully passed on to investors. For more information, refer to the 'Fees and other costs' section in this Guide.

- > Choice of Cash Account. The Cash Account is the central component of Asgard Infinity eWRAP Investment and the source of funds for your investments. You can choose whether the Cash Account is an electronic account with a higher interest rate and no transaction fees (eCASH) or a cash management account with cheque book, branch access and optional Visa debit card (CASH Connect). More information on the Cash Account options, including applicable conditions, is in the Cash Account PDS which can be obtained free of charge from your financial adviser, online at asgard.com.au or by calling our Customer Relations team on 1800 731 812.
- > Flexible ways to deposit and withdraw money from your account. You have access to various options such as electronic funds transfer, cheque and direct deposit to deposit money into your account. Using Internet or Phone Banking, you can quickly and easily move money from your Cash Account to where you need it. And, if you have a CASH Connect account, you have the convenience of a cheque book and can withdraw cash at any St.George, BankSA and/or Bank of Melbourne branch or by using your VISA debit card. If required, you can ask your financial adviser to initiate one-off and regular cash transfers between your Cash Account and other bank accounts you nominate.
- > Choice of share trading accounts. Choose how you want to manage listed securities and corporate actions in your account through either a Sponsored or Custodial share account arrangement.
- > Additional functionalities. You can automatically invest excess cash, rebalance your portfolio and make regular deposits into your Cash Account so you and your financial adviser can spend more valuable time developing your investment strategy.
- > Tax management. When you want to sell investments held through your account, you can, with the help of your financial adviser, nominate the specific tax parcels of managed investments to sell and choose the tax parcel selection method for listed securities. The opportunity to control the amount of capital gain or loss you incur when selling investments means you and your financial adviser can better manage your capital gains tax position.

¹ An mFund product is an unlisted managed fund admitted for settlement under the ASX Operating Rules and available to investors through the mFund Settlement Service. mFund products are not currently available through Asgard Infinity eWRAP Investment.

- > Margin loan facility. Available if you want to borrow money to invest.
- > In-specie transfers. Available for managed investments and listed securities (excluding mFunds) that you hold through another IDPS provider or hold directly in your name into your account free of charge (provided these assets are on the List of Available Investment Options booklet which you can obtain free of charge from your adviser or by calling our Customer Relations team on 1800 731 812).

While capital gains tax won't be payable on the transfer in most circumstances, you should seek professional advice on the taxation and stamp duty implications of transferring investments into your account.

> Consolidated reporting. You can get one clear view of all the investments you hold through your account. You can view your account online, 24 hours a day, 7 days a week via Investor Online. Following the end of each financial year, you will also receive a comprehensive Investor Report with a clear snapshot of all your investments in document and a Tax Report to help you with your annual tax return.

2. How Asgard Infinity eWRAP Investment works

O Your financial adviser

Your financial adviser is integral to your account. You need to have a financial adviser to open and operate your Asgard Infinity eWRAP Investment account.

Your financial adviser has online access to your account via AdviserNET. Through AdviserNET, your financial adviser can make amendments to your account (eg update your personal or bank account details, set up new features and so on), transact on your account (such as submitting buy and sell instructions) and generate various types of reports to help them make informed decisions about your investments.

Whether your financial adviser can transact or make amendments to your account on AdviserNET without notifying you first, depends on the level of authority you grant to your financial adviser.

Giving your financial adviser authority to send us instructions

You can decide what level of authority your financial adviser holds for operating your account. There are two levels of authority:

- Investor directed authority You must authorise each instruction (transaction or account amendment) in writing before your financial adviser submits it to us online (and, in the case of listed securities, to a panel broker).
- 2. Authority to operate This allows your financial adviser to submit investment instructions to us online (and, in the case of listed securities, to a panel broker) and amend your account details on your behalf, without prior authorisation from you. Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except for:
 - > changing the name of your account
 - > transferring funds out of your Cash Account to fund a payment request
 - changing your Nominated Bank Account and any external linked accounts
 - > changing your name or address if you hold listed securities in your account

- > applying for a share trading account
- > addition or removal of optional features to your account
- > any other matters outlined in this Guide that may require your personal instructions.

Authority to transfer cash

You can give your financial adviser authority to initiate one-off or regular cash transfers between your Cash Account and bank accounts approved by you (ie your Nominated Bank Account, external linked accounts and any other Cash Accounts held under your client number), on your behalf using AdviserNET. For more information on these account types, refer to the Cash Account PDS.

Change of financial adviser or financial adviser's authority to operate

If you change your financial adviser or cancel your financial adviser's authority to operate, you must tell us immediately. If you change your financial adviser and don't inform us, we'll continue to act on the level of authority you granted to your previous financial adviser.

Removal of financial adviser from your account

Asgard Infinity eWRAP Investment is designed to be used by you together with your financial adviser. For that reason, you will need to have a financial adviser to open your account and to optimise account features and fee structures. If your relationship with your financial adviser ends, you will need to take certain steps. These include notifying us immediately and telling us if you will be appointing a new financial adviser. If you don't appoint a new financial adviser, you will need to manage your account directly. In addition you'll be unable to access a number of account features and functionalities.

For more information on the consequences of not having a financial adviser, see the 'What will happen if you no longer have a financial adviser' in the 'General information' section in this Guide.

△ ○ Investment options

Asgard Infinity eWRAP Investment gives you access to a range of managed investments, listed securities and term deposits.

With the help of your financial adviser, you can quickly and easily change and mix your investments at any time as investment markets change. Together, you're in control of where your money is invested and you can create the financial strategy that is best suited to your financial needs and goals.

Managed investments

You can choose from an extensive range of managed investments, including investments from the different asset classes of cash, fixed interest, listed securities or equity, and property as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers.

The List of Available Investment Options booklet specifies the managed investments available through Asgard Infinity eWRAP Investment. You can obtain this list free of charge from your financial adviser or by calling our Customer Relations team.

You can obtain a copy of the product disclosure statements for the available managed investments free of charge on request from your financial adviser or by calling our Customer Relations team.

Por more information on managed investments, please refer to 'Investment options' in the 'Your investment options' section in the AIB and 'Transacting in managed investments' in the 'How your account works' section in the AIB.

Listed securities

You have access to most CHESS approved ASX listed securities including direct shares, listed property, exchange traded funds (ETFs) and listed property/investment trusts.

You can choose between a Sponsored or Custodial share account with regards to how listed securities in your account are to be held and managed. You cannot select both. For information on Sponsored and Custodial share accounts, please refer to 'Transacting in listed securities' in the 'How your account works' section in the AIB.

Pror more information on listed securities, please refer to 'Investment options' in the 'Your investment options' section in the AIB and 'Transacting in listed securities' in the 'How your account works' section in the AIB.

Term deposits

Through Asgard Infinity eWRAP Investment, we offer a range of term deposits with differing maturities/terms and interest payment options. The current terms and rates are available free of charge from your financial adviser or by calling our Customer Relations team.

Term deposits provide a fixed interest rate for a fixed length of time which means that you are protected from any decreases in interest rates during the term of your investment in the term deposit. However, you may not be able to take advantage of interest rate increases should the interest rates rise during the term of your investment.

Term deposits are suitable for investors who have an understanding of when they are likely to need to access funds in the future. They are not suitable for anyone who may suddenly need access to any funds in their term deposit as term deposits cannot be withdrawn before maturity.

- For more information about term deposits, including how we select term deposits, please refer to 'Investment options' in the 'Your investment options' section in the AIB and 'Transacting in term deposits' in the 'How your account works' section in the AIB.
- Por information on the terms, conditions and restrictions that apply to term deposits, please refer to the relevant term deposit disclosure document, which you can obtain free of charge from your financial adviser or by calling our Customer Relations team.

Investment selection policy

The Investment selection policy applies to all investments offered through Asgard Infinity eWRAP Investment and does not constrain investments to only those issued by or associated with Westpac or its subsidiaries.

Asgard decides whether to add, remove or restrict investments that are available through Asgard Infinity eWRAP Investments, and takes into account considerations such as whether the investment is manageable through its existing technology and administrative processes. Asgard reviews and monitors the available investments periodically to make sure they continue to comply with our investment selection policy.

Only 'Investment Grade' term deposits issued by an authorised deposit-taking institution (with a banking licence) may be approved for addition to Asgard Infinity eWRAP Investment.

¹ At the date of this Guide an Investment Grade rating is equivalent to an S&P rating of BBB or above, a Moody's rating of Baa3 or above and a Fitch rating of BBB or above.

In selecting the managed funds available through Asgard Infinity eWRAP Investment, we'll generally assess whether there is sufficient demand for the particular managed funds and take into account things such as research house ratings, liquidity and cash flow management, gearing, diversification, costs and tax, asset allocation, track record, governance structure, underlying funds under administration and the ability of the fund to meet administration and service level requirements. We may change the investments available to you. To view the investments available to you, speak to your financial adviser or contact us.

Generally, ASX listed securities will automatically be made available for investment via Asgard Infinity eWRAP Investment. If a security is de-listed from the ASX, it will automatically be made unavailable via Asgard Infinity eWRAP Investment. Some particular ASX listed securities, for example mfunds and exchange traded Australian Government Bonds, are not available for investment through Asgard Infinity eWRAP Investment.

Members of the Westpac Group, including Asgard, participate as financial institutions or product issuers in both domestic and international markets. As a result, perceived and actual conflicts of interest may arise when we consider and assess the investments made available through Asgard Infinity eWRAP Investment. To manage any perceived or actual conflicts of interest, all investments available through Asgard Infinity eWRAP Investment are subject to the same investment selection criteria applying to investments in the same class regardless of whether they are issued by a member of the Westpac Group or an unrelated party. Furthermore, Asgard has policies in place that govern how it manages conflicts and these policies apply to the investment selection process.

Transferring investments

You can in-specie transfer managed investments you hold through another IDPS provider into your account without a change in beneficial ownership, provided those assets are on the investment menu. You can also transfer listed securities (excluding mFunds) you already own into your account and still retain beneficial ownership. Generally, no capital gains tax is payable on the transfer of the managed investments or listed securities into your account and no transfer fees apply. You should seek professional advice on the taxation and stamp duty implications of transferring investments into your account.

Once the investments have been transferred to your account, we'll report on them along with the other investments held through your account.

The conditions that apply to transferring assets into your account are explained in Transferring managed investments into your account' and 'Transferring listed securities into your account' in the 'How your account works' section in the AIB.

You can also transfer managed investments and listed securities out of your Asgard Infinity eWRAP Investment account (conditions apply).

Your Asgard Infinity eWRAP Investment Account

Core features

Asgard Infinity eWRAP Investment starts off with a Core offer providing you with a cost effective way to meet your basic investment needs. The Core offer gives you access to:

- > an eCASH online bank account with a competitive interest rate, and
- a Core managed funds menu, which includes a range of diversified and index managed investments across various asset classes.

The List of Available Investment Options booklet specifies the managed investments available through Asgard Infinity eWRAP Investment. You can obtain this list from your financial adviser or by calling our Customer Relations team.

Core features

Core managed eCash account

Optional features - add any or all of these features

The Cash Account is the central component of your Asgard Infinity eWRAP Investment account and it allows your financial adviser to easily buy and sell investments on your behalf. This in-built connection between your Cash Account and the investment options makes it easy for you and your financial adviser to quickly respond to changes in market conditions or your investment needs.

How the Cash Account works

The diagram below shows the flow of money in and out of your Cash Account.

You can easily transfer money in or out of your Cash Account through various means via Internet Banking (initiated by you) and/or AdviserNET (initiated by your financial adviser). Furthermore, if you have a CASH Connect account, you have access to St.George, BankSA and Bank of Melbourne branches and can elect to have a VISA debit card (conditions apply). For more information on the deposit and withdrawal options available to you, refer to the Cash Account PDS.

Through AdviserNET, your financial adviser can also set up regular direct deposit and withdrawal plans providing you with a disciplined approach to investing and a regular income stream (if required).

Maintaining a minimum balance in your Cash Account

You have to maintain a minimum balance of \$1,000 in your Cash Account to cover fees and other costs. You can monitor your Cash Account balance by regularly checking the details of your account on Investor *Online* or on Internet Banking.

When your Cash Account balance is close to, or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Cash Account.

If you don't top up your Cash Account balance, we may automatically sell your managed investments and/or equity holdings. Please refer to 'Your Cash Account' in the 'How your account works' section in the AIB for more information.

Optional features

As your needs change, you can easily add optional features such as share trading capability and more sophisticated managed investments. If you and your financial adviser decide you no longer require any of these features, you can remove them easily, at any time.

In consultation with your financial adviser you can add the following optional features to your account.

Optional features	Options
Cash options	You can choose to replace the eCASH account with a CASH Connect account and/or access a range of term deposits with different maturities/terms and interest payment options.
	> CASH Connect account: a bank account with ATM card, branch access, chequebook and the option for a Visa Debit card.
	> Term deposits: provide a fixed interest rate for a fixed length of time which means that you are protected from any decreases in interest rates during the term of your investment in the term deposit. However, you may not be able to take advantage of interest rate increases should the interest rates rise during the term of your investment.
Managed investments menus	You can choose to access a more extensive range of managed investments by selecting one of the following menu options:
	> Select menu: an expanded investment menu of approximately 90 managed investments across various investment styles and asset classes. This menu includes the managed investments available in the Core managed funds menu, or
	> Full menu: access to over 450 managed investments covering a wide variety of investment managers and access to specialist investment strategies. This menu includes the managed investments available in the Core managed funds menu and the Select menu.
Equities holding options	You have two share trading account options to choose from regarding how listed securities in your account are to be held and managed:
	> Sponsored: hold the listed securities in your own name for full control of all administration, or
	> Custodial: hold the listed securities in our name to let us manage your paperwork.
	For more information refer to 'Transacting in listed securities' in the 'How your account works' section in the AIB.
Gearing	Access to margin lending to gear your account through eWRAP Margin Lending.
	The eWRAP Margin Lending facility enables you to borrow money to invest in managed investments and listed securities through your account.
	For more information on margin lending including the benefits and risk of margin lending please refer to the eWRAP Margin Lending PDS. You can obtain this PDS from your financial adviser or by calling our Customer Relations team.

Additional functionalities of your account

Asgard Infinity eWRAP Investment offers a number of functionalities to help you and your financial adviser manage your investments and/or your account more effectively. Some of these features reduce the need for you and your financial adviser to constantly monitor your account and give you greater confidence that your investment strategy is being maintained. For more information refer to the 'How your account works' section in the AIB.

Additional functionalities	Description
Automatically invest excess cash	Allows you to nominate a required cash balance and automatically invest the excess above this balance on a monthly basis according to a template (model portfolio) or the current value of all managed investments held through your account.
Automatically rebalance your account	Allows you to regularly (quarterly, half-yearly or yearly) rebalance your portfolio according to a template (model portfolio) which you and your financial adviser have agreed to.
Regular buy	Allows you to regularly invest a specified dollar amount from your Cash Account into one or more managed investments at a frequency determined by you.
Regular sell	Allows you to regularly sell a specified dollar amount from one or more managed investments held in your account at a frequency determined by you. The proceeds from the sale of managed investments are deposited into your Cash Account.

Additional functionalities	Description	
Regular deposit/direct debit plan	Allows you to regularly deposit funds into your Cash Account from your Nominated Bank Account. You can choose how much you want to deposit, the frequency of your deposits and the duration of your direct debit plan.	
Regular withdrawal plan	Allows you to regularly withdraw funds from your Cash Account to send to your Nominated Bank Account. You can choose how much you want to withdraw and the duration of your plan.	
Reinvest income distributions or dividends	You have the option to keep income distributions from your managed investments in your Cash Account or use the distributions to buy further units in those managed investments.	
	Depending on the listed securities you hold, you may be able to elect to receive dividends as either additional securities (that is, reinvest dividends under a Dividend Reinvestment Plan (DRP)) or to receive dividends as cash. The payment of dividends and the ability to elect a DRP differs depending on whether you have a Custodial or Sponsored share account set up.	
Online participation in corporate actions – Custodial share account only	Working with your financial adviser, you can participate in corporate actions (provided those corporate actions are approved by us), without having to manage this with the share registry. Your financial adviser can submit your election online via AdviserNET.	
	For further information on corporate actions, refer to 'Managing corporate actions' in the 'How your account works' section in the AIB.	
Tax management	When you want to sell some of the managed investments held through your account, with the assistance of your financial adviser you can nominate the specific tax parcels of managed investments to be sold. This means you can better manage your capital gains tax position as you have the opportunity to control the amount of capital gain or loss you incur when selling managed investments.	
	In respect to listed securities, you can choose from the following tax parcel selection methods:	
	> Minimise gain	
	> Maximise gain	
	> First in first out (FIFO)	
	> Modified FIFO.	
	For more information, refer to 'Capital gains tax and tax management' in the 'Tax features' section in the AIB.	

Only your financial adviser can set up these additional functionalities for you. If your relationship with your financial adviser ends and you don't appoint a new one you may not be able to access all of the above additional functionalities. For more information on the consequences of not having a financial adviser linked to your account, see 'What will happen if you no longer have a financial adviser' in the 'General information' section in this Guide.

Consolidated reporting

Regardless of the number of investments you hold through your account, we provide you with an easy-to-read report that consolidates all the transactions from the different investment managers, term deposits and listed securities in your portfolio. This makes it easier to compare and analyse how various investments are performing and for your financial adviser to make informed decisions if changes need to be made. Following the end of each financial year, you'll receive a comprehensive Investor Report with a clear snapshot of all your investments in one document. To help you prepare your income tax return for investments held through your account, you'll receive an annual Tax Report and Tax Guide around September each year and online access to quarterly PAYG statements.

You can access information on your account anytime and anywhere online, through Investor Online. For more information on Investor Online and other types of reporting we make available to you, please refer to 'Keeping you informed' in the 'General information' section in this Guide.

Risk is often defined as the likelihood an investment will fluctuate in value. Generally the higher the potential return of an investment, the greater the risk of loss.

It's important to note that all investments involve varying degrees of risk. A multitude of factors beyond the control of investors may affect investment returns, such as:

Risk	Description
Security-specific risk	An investment in or with exposure to a company or managed investment may be affected by unexpected changes in that company's or managed investment's operations (due to quality of management, use of technology and so on) or its business environment.
Market risk	Markets are affected by a host of factors including economic and regulatory conditions, market sentiment, political events, and environmental and technology issues. These could have a negative effect on the returns of all investments in that market. This may affect investments differently at various times.
Currency risk	If an investment is held in international assets, a rise in the Australian dollar relative to other currencies may negatively impact investment values or returns.
Interest rate risk	Changes in interest rates can have a negative impact, either directly or indirectly, on investment value or returns on all types of assets.
Gearing risk	Underlying funds may use gearing. The use of gearing (borrowing) will magnify the variability of investment returns.
Derivatives risk	Underlying funds may be derivative instruments or may make use of derivatives. Derivatives (which may be used to reduce risks and buy investments more effectively) may be volatile, magnify potential losses and reduce potential profits. Also, the usage of derivatives may be speculative. Risks associated with derivatives include: the risk that changes to the value of a derivative is not in line with changes to the value of the underlying asset, the risk that the management of the assets backing a derivative is not adequate to meet the payment obligations of the derivative and counterparty/issuer risk (the risk that the counterparty/issuer of the derivative contract cannot meet its obligations under the derivative contract).
Alternative investments risk	Underlying funds may invest in 'alternative investments'. Alternative investments is a category that includes a range of sophisticated investments including hedge funds, venture capital, private equity, leveraged and management buyouts, commodities and futures trading funds. Alternative investments are subject to certain risks that may include periods of large market falls, high volatility or reduced liquidity.
Credit risk	There is always a risk of loss arising from a debtor or other party to a contract failing to meet their obligations. This potentially arises with various securities including derivatives, fixed interest and mortgage securities.
Liquidity risk	Liquidity risk is the risk that an investment may not be easily converted into cash with little or no loss of capital and minimum delay because of either inadequate market depth or disruptions in the marketplace.
Legal and regulatory risk	Changes in domestic and foreign investment and taxation laws may adversely affect your investment.
Operational risk	Asgard Infinity eWRAP Investment depends on the integrity of its administration and computer systems. However, there is a risk these systems may not be available in certain circumstances.
Insurance risk	Where you don't take out sufficient insurance to provide adequate cover for you or your beneficiaries, this is known as underinsuring. Your financial adviser may be able to help you identify the appropriate amount of insurance cover for your circumstances.

4. Fees and other costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower contribution fees and management costs where applicable. Ask the fund or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (<u>www.moneysmart.gov.au</u>) has a managed funds fee calculator to help you check out different fee options.

Fees and other costs payable in relation to your Cash Account are disclosed in the Cash Account PDS. The total fees and other costs payable in relation to your account include not only the costs of Asgard Infinity eWRAP Investment fees, but also the cost of the investments you choose.

It's important you understand the fees of any investments you choose and that they are in addition to the fees for Asgard Infinity eWRAP Investment and any transaction and account costs incurred on your behalf. The costs of any investment you choose will generally be set out in a disclosure document for that investment. These are available from your financial adviser.

Unless otherwise stated, the fees and other costs shown do not take into account any income tax benefit (if applicable), but do include any applicable stamp duty, GST or GST net of reduced input tax credit (RITC).

Any fee negotiated with your financial adviser will be disclosed in the Financial Services Guide or Statement of Advice you receive from your financial adviser.

Fees and other costs

This document shows fees and other costs that you may be charged. These fees and costs may be deducted from your money, from the returns on your investment or from the assets of your account.

Taxes are set out in the 'Tax features' section in the AIB.

You should read all the information about fees and costs because it is important to understand their impact on your investments.

Management costs

Management costs – The fees and costs for managing your investment²

The amount you pay for specific managed investments is shown in the product disclosure statement for each managed investment.

The management costs consist of the following:

Administration fee

Core administration fee³

Account balance	Administration fee (% pa)
First \$750,000	0.30
Balance over \$750,000	0.00

Plus

Optional feature administration fee

Feature	Fee (% pa)
Cash Account	
eCASH	Nil
CASH Connect	\$150 pa
Managed investments	
Select	0.15
or	or
Full	0.20
Equity holding options	
Sponsored	0.10
or	or
Custodial	0.10 + \$300 pa
Term deposits	Nil
Margin lending	0.05
The minimum annual administration fee is \$75 na.	

The minimum annual administration fee is \$75 pa. No administration fee is payable for cash and term deposits.

- The administration fee charged will depend on the optional features you have added to your account (whether you are actively using them or not).
- > The administration fee (inclusive of any applicable optional feature administration fee) is calculated based on the combined value of managed investments and listed securities in your account (excluding investments in your Cash Account and/or term deposits).
- The administration fee is deducted from the Cash Account monthly in arrears (at the beginning of every month) and paid to us.
- > Where your Custodial share account⁴ and/or CASH Connect account is set up during the month, the related optional feature administration fee will be charged on a pro-rata basis.

This fee is calculated on a daily basis and deducted from the Cash Account monthly in arrears (at the beginning of the month).

If you hold listed securities, fees are inclusive of GST and not net of RITC. If you hold both managed investments and listed securities through your account, fees will be charged net of RICT on the value of the managed investments held with the exception of equity holding feature fees.

Plus

Expense recovery

Up to \$10 pa. The exact amount charged to your account will be reported in your annual Investor Report.

We have discretion in deciding to pass on all or a portion of expenses we incur to investors. We may exercise our right to charge expense recovery for costs such as complying with legislative requirements. Calculated based on the expenses incurred and deducted from your Cash Account at the time the expense is applied.

We are entitled to retain all expense recoveries to meet our costs and will not pass on any such entitlement to any other persons, including your financial adviser or your financial adviser's dealer group.

Plus

Custodial share account fee

\$300 per annum (including GST) charged by us for administering your Custodial share account.

This fee only applies if you elect to setup a Custodial share account. It applies whether or not you hold listed securities through your Custodial share account.

Calculated on a daily basis and deducted from your Cash Account monthly in arrears at the beginning of every month.

Where your Custodial share account is set up during the month, the fee will be charged on a pro-rata basis payable at the beginning of the next month.

Asgard Infinity eWRAP Investment ¹		
Fee type	Amount	How and when paid
Service fees ⁵		
Switching fee ⁶ – The fee for changing investment options	Nil	Not applicable

- 1 This fee table does not include any investment fees and costs, including any performance fees, that may be payable for investments you choose. See the 'Additional explanation of fees and costs' section in this Guide.
- 2 We reserve the right to reduce some of the management costs for certain large investors. Asgard Infinity eWRAP Investment is not eligible for fee aggregation.
- 3 The total administration fees charged will depend on the additional features you have added to your account (whether you are actively using them or not). Administration fees for optional features are charged in addition to the Core administration fee. The Core administration fee shown is net of GST and not net of RICT.
- 4 The Custodial share account fee applies whether or not you hold shares through your Custodial share account.
- 5 Additional service fees may apply as this table does not take into account all the fees and costs that may apply to your account for example (a) advice fees and (b) transaction costs (that is buy/sell differential and brokerage). See the 'Additional explanation of fees and costs' section in this Guide.
- 6 While there are no fees associated with switching, a cost associated with the buy/sell differential may apply. See 'Buy/sell differential' in the 'Additional explanation of fees and costs' section in this Guide for information on the costs charged by investment managers when managed investments are bought and sold.

Example of annual fees and costs for a balanced investment option or other investment option

This table gives an example of how the fees and costs for accessing a balanced investment option or other investment option within Asgard Infinity eWRAP Investment account can affect your investment over a one year period. You should use this table to compare this investment product with other platform investment products.

Example – the balanced investment option or other investment option		Balance of \$50,000 with a contribution of \$5,000 during year	
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.	
PLUS Management costs	0.30%¹ (Administration fee) +	And , for every \$50,000 you have in the investment option you will be charged \$160.003 each year.	
EQUALS Cost of Asgard Infinity eWRAP Investment	\$10 ² (Expense recovery)	If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees of \$160.004.	
		What it costs you will depend on the investment option you choose and the fees you negotiate.	

This example is illustrative only and fees and costs may vary for your actual investment. The above example only shows the fees and costs that relate to accessing investments through Asgard Infinity eWRAP Investment and not the fees and costs of the underlying investments. Additional costs will be charged by the issuers of those underlying investments that you decide to invest in. Please refer to the example in the following section that illustrates the combined effect of the fees and costs.

- 1 This example is based on the management costs for Asgard eWRAP Infinity Investment assuming all investments are in a balanced investment option with no balance retained in the Cash Account and you select the Core feature only. It does not take into account costs incurred for investments that may be accessed through Asgard Infinity eWRAP Investment, such as management costs relating to a managed investment or transaction fees for listed securities.
- 2 The exact amount charged to your account will be reported in your Investor Report. Please refer to the 'Additional explanation of fees and costs' section for more information.
- 3 This example assumes that \$50,000 is invested for the entire year, the value of the investment is constant over the year and that the additional \$5,000 is invested at the end of the year. It doesn't take into account any required minimum Cash Account balance. Refer to 'Your Cash Account' under the 'How your account works' section in the AIB for information about the minimum Cash Account balance requirement. Accordingly, fees and costs are calculated using the \$50,000 balance only.
- 4 Additional fees may apply. Refer to 'Additional explanation of fees and costs' in this Guide for more information.

Example of total costs

This table illustrates the combined effect of fees and costs of Asgard Infinity eWRAP Investment and the fees and costs for an investment in the Advance Balanced Multi-Blend Fund through Asgard Infinity eWRAP Investment over a one year period, based on the same assumptions as the 'Example of annual fees and other costs for a balanced investment option or other investment option' set out in the previous section.

Example – Advance Balanced Multi-Blend Fund	Balance of \$50,000 with a contribution of \$5,000 during year
Cost of Asgard eWRAP Infinity Investment Account	\$160.00 ¹
PLUS Fees and costs for an investment in Advance 0.90% Balanced Multi-Blend Fund	And, for every \$50,000 you have in the Advance Balanced Multi-Blend Fund you will be charged \$450.003 each year.
EQUALS Total cost of investing in the Advance Balanced Multi-Blend Fund through Asgard Infinity eWRAP Investment	If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees of \$610.00 ⁴ .
	What it costs you will depend on the investment option you choose and the fees you negotiate.

This example is illustrative only and fees and costs may vary for your actual investment. For information regarding the fees and costs of underlying investments, please refer to the List of Available Investment Options booklet available at any time from your financial adviser or our Customer Relations team.

- 1 Please refer to 'Example of annual fees and costs for a balanced investment option or other investment option' for information regarding this amount and applicable assumptions.
- 2 This amount includes management fees charged by the Advance Balanced Multi-Blend Fund and estimated indirect costs, such as performance-related fees and other indirect costs, incurred in managing the underlying investments but not directly charged by the Advance Balanced Multi-Blend Fund. The indirect costs are an estimate in relation to the year ended 1 July 2018. For more information regarding the fees and costs applicable to underlying investment options, please refer to the 'Investment fees' section of the 'Additional explanation of fees and costs' section of this Guide.
- 3 Additional fees may apply. This example does not take into account other fees and costs that may apply to some or all of the available investments, such as Adviser contribution fees, other advice fees, Cash Account fees, transaction fees or costs or any applicable buy/sell spread charges. The actual fees and costs incurred are dependent on the investments you decide to transact in. Refer to the 'Additional explanation of fees and costs' in this guide for information about the fees and other costs that may apply.
- 4 Additional fees may apply. Refer to 'Additional explanation of fees and costs' in this Guide for more information.

Additional explanation of fees and costs

Administration fee

The total administration fee you'll be charged depends on the optional features on your account. Any administration fee for optional features will be charged in addition to the Core administration fee. The percentage based administration fee is calculated based on the total value of managed investments and shares in your account (excluding funds held in your Cash Account and term deposits).

Optional feature administration fee

When you add an optional feature to your account, the additional 'optional feature administration fee' will apply, subject to the optional feature(s) you select.

When you remove an optional feature from your account, any adviser fees applicable for that feature will cease.

However, the optional feature administration fee will continue until the feature is no longer actively used. For example, once the managed investments from an optional managed investment menu are sold from your portfolio.

Asgard may, without prior notice, add an optional feature to your account where it is required to facilitate a transaction. For example, where the proceeds of a corporate action are received after you have removed a share feature.

Where this occurs, the relevant optional feature administration fee will apply.

For margin lending, the administration fee will only commence when your application for margin lending has been approved.

Example: Optional features

Colin's account has the following features to complement his Core account which has a Core administration fee of **0.30% pa**.

Feature	Balance	Administration fee (% pa)
Select managed investments	\$25,000	0.15
Sponsored Shares	\$25,000	0.10
Term Deposits	\$20,000	Nil
eCASH	\$5,000	Nil
Total	\$75,000	0.55*

Administration fees don't apply on the balance in his Cash Account or term deposits. This means that the administration fee of 0.55%pa is payable on the \$50,000 held in managed investments and shares:

0.55% X \$50,000 = \$275 pa

* The administration fee related to managed investments qualifies for an input tax credit, which will reduce the fee payable. The 0.55% is inclusive of the 0.30% Core administration fee.

RITC for managed investments

The part of the administration fee which is charged on the value of any managed investments (including term deposits) held through your account qualifies for a RITC of up to 75%. No RITC applies to the administration fee charged on listed securities. If you only hold managed investments through your account, the applicable fee scale (assuming a net GST expense recovery of 2.5%) will be by way of example as follows:

Example

Gary has an Asgard Infinity eWRAP Investment account through which he holds only managed investments (using the Select menu) valued at \$100,000. The administration fee applying to his account is:

 $100,000 \times 0.45\% = 450$ (inc. GST).

How to calculate RITC on managed investments (assuming 75% RITC applicable)

GST portion of the administration fee:	
RITC (75% of the GST):	\$30.68
Total administration fee:	\$450 - \$30.68 = 419.32*

^{*} Includes a net GST expense recovery of 2.5% on the part of the administration fee related to managed investments (GST of 10% less a RITC of 75% of the GST). If you are registered for GST purposes, you may be able to claim either a full or RITC for any GST paid on the portion of our administration fee charged on listed securities in your account and any adviser remuneration you have agreed to pay your financial adviser. If you intend to make a claim, you can request we provide you with monthly tax invoices.

Adviser remuneration/fees

Our fee structure provides you and your financial adviser with flexibility when determining the fee payable for the financial advice and related services they provide to you in relation to your account. You can negotiate these fees by speaking with your financial adviser. The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser:

- > Adviser fee Establishment
- > Adviser fee Upfront
- > Ongoing adviser fee
- > One-off adviser fee.

You may agree to one or more of these options.

The payment of fees that you agree to pay to your financial adviser in relation to financial product advice and related services that you receive will be facilitated by us in accordance with your directions.

Please note that all of the adviser fees are deducted by us and then paid to your financial adviser, or to your financial adviser's dealer group on behalf of your financial adviser. However, we will not deduct any amounts in relation to adviser fees unless you agree and we do not retain any portion of these adviser fees for our own benefit. By consenting in the relevant form to the deduction and payment of agreed fees to your financial adviser (or to your financial adviser's dealer group on behalf of your financial adviser's dealer group on behalf of your financial adviser's dealer group on behalf of your financial adviser's

Restrictions apply to the adviser fees that can be deducted from your account when you have an eWRAP Margin Lending facility attached to your account. The adviser fees deducted from your Cash Account can only be a flat dollar amount (ie a fixed amount). You cannot pay your financial adviser an Adviser fee – Upfront and/or an ongoing adviser fee that is percentage based.

Opting-out from advice

You may opt-out of receiving financial advice and related services from your financial adviser and paying your financial adviser ongoing fees for future services by notifying us. We encourage you to talk to your financial adviser first before requesting to change the fees applying to your account. We reserve the right to cease paying to your financial adviser any adviser fees on your behalf on receipt of a written request from either you or your financial adviser.

If you opt-out of the ongoing adviser fees paid to your financial adviser, we will generally cease paying the ongoing adviser fees from the day your request is processed by us. That is, we will pay the ongoing adviser fees on a pro-rata basis to the date we process your request to opt-out. For the Adviser fee – Upfront, we will generally cease paying this fee from the date on which your request is processed by us. However, if you have instructed us to cease paying adviser fees without terminating or opting out of an ongoing fee arrangement with your financial adviser, then you may still be personally liable to pay the adviser fees as agreed under that arrangement. For more information on disclosure of your financial adviser's remuneration, refer to the disclosure of fees and costs received by your financial adviser' section.

Opting out from advice is not the same as ending your relationship with your financial adviser. This needs to be separately requested (if required). If the relationship with your financial adviser has ended and you do not appoint a new financial adviser, this may have an effect on the fees you pay and your account features. For more information, see the 'What will happen if you no longer have a financial adviser' in the 'General information' section in this Guide.

Adviser fee - Establishment*

You can agree the initial fee for advice on the establishment of your account with your financial adviser. It must be specified on your application. If no fee is specified, the fee will be nil.

Adviser fee - Upfront

You can agree the upfront fee that is to be paid to your financial adviser which will apply to the financial advice provided in relation to each managed investment buy. It can be between nil and 5.5% (including GST) and will apply to managed investment buys only. If no fee is specified, the fee will be nil.

^{*} The Adviser fee – Establishment may be described as an 'Establishment fee' in your periodic statements and the information accessed via Investor Online.

Ongoing adviser fee

An ongoing adviser fee may also be paid to your financial adviser in addition to the administration fee which is payable to us on a monthly basis in arrears. The ongoing adviser fee amount is calculated on the basis agreed between you and your financial adviser.

You may select from the following monthly adviser fee options:

 Flat percentage amount (%) – select a flat percentage between 0% and 5.5% pa (including GST) to apply to the value of managed investments, listed securities and your Cash Account balance (a different percentage can apply to each category).

OF

 Sliding scale – specify a tiered percentage pa applied to the combined value of managed investments listed securities (not applied to your Cash Account balance).

OR

3. Flat dollar amount (\$) – select a flat dollar amount per month which can be increased annually in line with the Consumer Price Index (CPI). You can indicate the month and year in which the increase will first occur in your application. (The monthly dollar amount will be increased by the annual CPI percentage released for the previous quarter).

The flat percentage and sliding scale monthly adviser fee options are calculated on the daily balance of managed investments, listed securities and/ or your Cash Account balance, as applicable and deducted monthly in arrears.

Ongoing adviser fees are deducted monthly in arrears from your Cash Account. Where your account is opened during the month, the ongoing adviser fee charged for the first month will be pro-rated based on the number of days your account was open in that month.

One-off adviser fee

You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fee which is payable to us.

The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Cash Account in arrears at the beginning of the month or, if applicable, at the time your account is closed.

Disclosure of fees and costs received by your financial adviser

Your financial adviser must disclose to you any benefits they receive in relation to your investment, including all fees and costs that you have negotiated with them. See your financial adviser's Financial Services Guide and/or Statement of Advice for further information on these benefits.

If an ongoing fee arrangement exists between you and your financial adviser, your financial adviser will also be required to give you a Fee Disclosure Statement on an annual basis. It is also your and your financial adviser's responsibility to notify us to cease payment of adviser remuneration or fees in the event that the ongoing fee arrangement is either terminated or is not renewed.

Platform payments

In limited circumstances and to the extent permitted by law, we may pay to your financial adviser's dealer group or an appropriate licensed related body corporate of their dealer group up to 100% of the fees/other payments we receive. We pay these amounts out of our own funds and they are not additional costs to you.

Expense recoveries

We have discretion in deciding to pass on to investors all or a portion of expenses we incur. In general we choose to absorb the costs associated with running your account, however, we intend to charge expense recoveries for costs such as complying with changes in legislation and regulatory requirements. Your portion of any expense recoveries will be deducted from your Cash Account and will be reported in your annual Investor Report as an expense recovery. These expenses are costs incurred by us and payable to us only. They will not be passed on to your financial adviser or your financial adviser's dealer group.

Taxes

Income from investments held through your account may be taxed. For more information refer to the 'Tax features' section in the AIB.

Transactional and other operational costs

These are an additional cost to you.

Fee type	Amount		How and when paid?
Buy/Sell differential	The buy/sell differential typically ranges from 0.00% to 3.50%, but can be higher.		When units in a managed investment are bought and sold, transaction and brokerage costs are incurred. These costs are applied to those investors who buy and sell units in particular managed investments and this is done through the use of two different unit prices – a buy price and a sell price. The difference between the buy price and sell price takes into account these costs and is called the buy/sell differential. The buy/sell differential is an additional cost to you payable at the time of the buy/sell. For example, if you wanted to invest \$10,000 in a managed investment and the buy price was \$1.00 per unit, you would receive 10,000 units. If you subsequently sold all of the units on the same day, the units would be sold at the sell price. If the sell price was \$0.995 per unit (that is, a 0.50% buy/sell differential applies), you would only receive \$9,950 for the sale of those 10,000 units.
Share brokerage^ - the fee	Trade value	Brokerage	For share purchases, brokerage is added to the

The share settlement fee is deducted from your Cash Account* at the time of the share buy or sell.
Failed settlement fee – the fee charged by online broker, as set by the ASX.	,		The failed settlement fee will be deducted from your Cash Account.*
	The minimum fee is \$55 per day.		
Broker fail fee – a fee may be charged by the broker if your share trade fails.	The fee is determined by the broker and varies according to the situation.		The broker fail fee will be deducted from your Cash Account.*
Margin lending fees – fees that may be charged by St. George when you borrow to invest.	Disclosed in the eWRAP Margin Lending PDS.		See the eWRAP Margin Lending PDS.

[^] Where a panel broker is used to place a share trade, the brokerage amount will be agreed with the panel broker at the time of placing a trade.

^{*} Note: If you have an eWRAP Margin Lending facility, share buys and sells, and related fees, are settled through your Margin Loan account instead of your Cash Account.

Other transactional and operational costs

Where transactional and operational costs arise from trading activity to execute the investment strategy for an underlying managed investment, and are not the result of buying or selling units in the managed investment, these costs are not recouped by the relevant management investment (eg by the buy/sell spread in the case of a managed fund). They are an additional cost to you at the time of the managed investment directly or indirectly undertaking the trading activity, and are included in the managed investment's unit price.

More information regarding the amount of the transactional and operational costs for each managed investment available through Asgard eWRAP Infinity Investment is in the product disclosure statement or other disclosure document(s) for the relevant managed investment, which may be obtained on request and free of charge from your adviser.

Fees and costs of underlying investments

The managed funds and exchange traded funds (managed investments) available through Asgard Infinity eWRAP Investment are managed and operated by investment managers that charge fees and other costs for the management and administration of the managed investments. The investment returns for each managed investment are net of fees and other costs. That is, the fees and other costs are deducted from the value of the managed investment before the unit price is calculated.

Some of the underlying investment managers may be entitled to performance fees in addition to the management fees they receive. The method for calculating these performance fees varies between the managed investments and details are set out in the product disclosure statement or other disclosure document(s) for the relevant managed funds. If charged, typical performance fees for an underlying managed investment are estimated to be between 15% and 30% of the investment's out-performance of a defined benchmark, but actual performance fees may fall outside this range.

In addition to the ongoing fees and other costs for the managed investments, some investment managers charge contribution and withdrawal fees. These may be charged either:

- > as an amount added (or subtracted) as part of the entry (or exit) price, when you acquire (or dispose of) an investment (depending on whether a contribution or withdrawal fee is being charged) or
- > by deducting an amount from your account balance, when you acquire (or dispose of) your investment.

The amount of these fees varies between investment managers.

For further information regarding the fees and other costs for each managed investment, refer to the List of Available Investment Options booklet and the product disclosure statements or other disclosure document(s) for these managed investments. The fees and other costs for each managed investment may vary from time to time. The fees and other costs disclosed in this document or provided in the List of Available Investment Options booklet are provided by external investment research providers or the relevant product issuers and are not verified by the Administrator. The method of calculation of the fees and other costs is not uniform and varies between managed investments. This should be considered when comparing investment options.

Wholesale prices and management fee rebates

The managed investments offered through Asgard Infinity eWRAP Investment are predominantly wholesale managed investments. By investing in these investments through Asgard Infinity eWRAP Investment, investors will generally be charged lower management costs than other retail investors.

We've been able to negotiate rebates on the management fees charged by some investment managers and responsible entities. Any management fee rebate will be paid in full to investors with an account open at the time the rebate is received and processed by us, which is generally quarterly.

Management fee rebates are estimated to range from 0% to 60% of the management fees charged by the investment managers or responsible entities and may vary from time to time. Please note the range of management fees shown in the List of Available Investment Options booklet does take into account any management fee rebates.

Platform service fees and other payments

Where permitted by law, we may receive remuneration from investment managers or responsible entities, including service fees or other payments of up to \$22,000 pa per responsible entity (or in some cases, per investment manager) (which is subject to annual review and may increase by up to \$500 pa) plus up to \$8,800 pa per managed investment (which is subject to review and may increase by up to \$200 pa). We may also receive payments of up to 100% of the investment/ product fees from investment managers or responsible entities whose financial products are available through the Asgard Infinity eWRAP Investment account, in exchange for providing access to services and information. The amount of these payments may change from time to time. This remuneration is paid by the investment managers or responsible entities out of their own resources and is not paid by you.

Related party investment arrangements and transactions

Some of the managed investments and term deposits available through Asgard Infinity Asgard Infinity eWRAP Investment are issued or managed by companies within the Westpac Group. These Westpac Group companies receive fees in relation to your investment in the relevant managed investments and term deposits, which may include contribution fees, management fees, performance fees, withdrawal fees and other fees as specified in the product disclosure statement or other disclosure document for the relevant managed investments and term deposits. Your Cash Account is a bank account offered by a company in the Westpac Group. Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Where a managed investment is issued or managed by a company in the Westpac Group, the same investment selection criteria applicable to managed investments issued or managed by unrelated parties applies. We also have policies that govern how we manage actual and perceived conflicts of interest that may arise and these policies apply to the managed investment selection process.

Indirect costs

Indirect costs are an estimate of the costs incurred in managing an underlying managed investment's assets which directly or indirectly reduce the return on the managed investment. These costs are not directly charged or retained by the issuer (or manager) of the managed investment. They are reflected in the unit price of the relevant managed investment and are an additional cost to you. Indirect costs for a managed investment may comprise expense recoveries, performance-related fees, and other indirect costs. Please refer to the disclosure document for the relevant managed investment for further information regarding indirect costs that may apply.

Buy/sell spread

When buying and selling units in a managed fund, the fund manager is generally entitled to charge the unit holder an amount representing a contribution to the cost of purchasing or selling the underlying assets. These costs include things like brokerage and stamp duty.

The charge is usually reflected in the difference between the entry price and exit price of a unit and is commonly referred to as the buy/sell spread. The buy/sell spread is charged by the fund manager and is applied before the unit price is provided to us. The buy/sell spread has two components:

- > an amount added as part of the calculation of the entry price, payable when you acquire an investment
- an amount subtracted as part of the calculation of the exit price, payable when you dispose of your investment.

For example, if you invest \$50,000 in a managed fund at a buy/sell spread of 0.05 %, you will generally incur this cost, being \$25.00, at the time you invest.

The buy/sell spread is an additional cost to you. Generally the buy/sell spread is retained by the relevant managed fund and applied to defray transaction costs, it is not a fee paid to the fund manager. Further information regarding the amount of buy/sell spread for each managed fund is provided in the product disclosure statement or other disclosure document(s) for the relevant managed fund. These may be obtained on request and free of charge from your adviser.

When carrying out a managed fund transaction, the Administrator may offset your instructions to buy or sell assets against another investor's instructions to sell or buy those assets so that only net transactions are acted on. This process is known as 'netting'. The Administrator may retain any benefit that may be secured from netting. These include the fees and charges that would have applied had the transaction been processed without netting.

Other service fees

Cash Account service fee

We may receive a service fee of up to 0.70% pa (including GST) from St.George for the introduction of your banking business and for performing client service activities and transaction reporting on your Cash Account. This service fee is calculated as a percentage of the daily balance of your Cash Account. **This is not an additional cost to you.**

Share trade service fee

When the online broker is used as the broker, we receive service fees from the online broker for the introduction of your share trading business and for performing client service activities on your broking account. The service fee will range between 40% and 50% of the brokerage charged by online broker, depending on trade volumes, and does not apply to trades through other brokers. **This is not an additional cost to you.**

Share settlement service fee

We receive service fees for share settlement from our settlement agent, the online broker, for the introduction of your share settlement business and for performing client service activities on your settlement account. The service fee will range between 30% and 45% of the settlement fee charged for trades placed through brokers other than the online broker. **This is not an additional cost to you.**

Interest on other accounts

After we withdraw money from your Cash Account to buy managed investments on your behalf, the money passes through investment clearing accounts before being paid to the relevant investment manager(s).

Similarly, any proceeds from the sale of your managed investments and distributions will also pass through the same clearing accounts before being credited to your Cash Account.

If you use the eWRAP Margin Lending facility, any proceeds from the sale of your managed investments and distributions will pass through a margin lending clearing account (instead of an investment clearing account) before being paid to St.George to reduce or repay your margin loan.

If you have a Custodial share account set up, any payments for corporate actions will pass through a Custodial share clearing account before being paid to the relevant share registry. Similarly, dividends for listed securities held in a Custodial share account will also pass through this Custodial share clearing account before being credited to your Cash Account.

When we withdraw fees from your Cash Account to pay your financial adviser, this money also passes through a clearing account. If you choose an eCASH Account, all cheque deposits must be posted to us and we deposit these into a cheque clearing account. If you ask us to transfer money from an external bank account using a direct debit, the amount of the direct debit will also pass through this clearing account. When the cheques and direct debits clear, the proceeds will be deposited into your Cash Account. See the Cash Account PDS for more information.

All these clearing accounts are in our name and we'll retain the interest earned on the money passing through these accounts. You won't pay any fees in relation to those accounts. We'll pay any fees from the interest or from our administration fee.

Variation of fees and other costs

Our ability to charge fees and expenses, including both maximum amounts and the introduction of new fees, is not restricted under the Custody Service Deed (the trust deed for Asgard Infinity eWRAP Investment, a copy of which can be obtained by calling our Customer Relations team). We may change or introduce fees and other costs payable to us at any time and will give you at least 30 days' prior written notice if we consider the change is materially adverse to your interests.

In the event of any change in tax laws or their interpretation, including changes which affect the rate of GST payable or the input tax credits, the amounts deducted from your Cash Account in respect of the fees and costs applied to your Asgard Infinity eWRAP Investment account may be varied or adjusted to reflect such changes without your consent or further notice to you.

We may, at our discretion, either generally or on request from you, your financial adviser or their dealer group, reduce or waive any of the fees and costs applying to your account.

Any such reduction or waiver of fees and costs will cease to apply, and those fees and costs will generally revert to the un-reduced amount on 30 days' notice, or without notice if you cease to be advised by your financial adviser or their dealer group.

Fees and costs for existing investors

Different fees and costs may apply to investors who established their Asgard Infinity eWRAP Investment account before the date of this Guide, in accordance with the terms that applied at the date their account was established (as modified in accordance with those terms or by subsequent agreement).

Alternative Forms of Remuneration Register

We are required to comply with various obligations limiting the amount and kinds of non-monetary benefits that can be given and received by us. The purpose of these requirements is to eradicate any practices that may influence product providers and financial advisers to act outside of your best interests.

We are also required to maintain a register to record non-monetary benefits of small value (being between \$100 and \$300 per item) which are received by us or any of our representatives.

Our register is available for inspection by you. You can request a copy of the register by calling our Customer Relations team on 1800 731 812.

Total ongoing fee example

Your account's total ongoing fees will vary depending on your choice of investments and the value of your account. For example, the fees for investing in Australian and international share managed investments tend to be higher than those charged for investing in cash or fixed interest.

The following case study provides current estimates of the average total ongoing fees you could pay for investing in managed investments (with respect to cash, Australian fixed interest, property securities, Australian shares and international shares) and listed securities through your account.

The case study is based on account values of \$100,000 and does not allow for variations to the fees and other costs set out in this Guide which you may separately authorise. Because we cannot control the fees charged for accessible investments, we cannot guarantee the figures won't fluctuate in the future.

The following case study doesn't take into account any fees which are paid to your financial adviser. Such fees are negotiable between you and your financial adviser and are in addition to administration and investment fees. They also don't take into account any Custodial share account, Cash Account or margin lending fees.

The below case studies are not intended as an illustration of the cumulative effect of fees and costs on an investment through Asgard Infinity eWRAP Investment and do not account for the fees and costs of the investments that may be selected, including indirect costs. Please refer to 'Example of total costs' within the 'Fees and other costs' section of this Guide for a worked example showing the combined effect of fees and costs of Asgard Infinity eWRAP Investment and the fees and costs for and investment in the Advance Balanced Multi-Blend Fund through Asgard Infinity eWRAP Investment over a one year period

Case study - Total ongoing fees (pa) for an investment of \$100,000

The balance of your account is \$100,000 (excluding your Cash Account balance). The first table assumes you only hold managed investments through your account spread equally across five asset classes (that is, \$20,000 in each) on the Core investment menu. The second table assumes that you only hold shares through your account and you are also on Core menu. The annual administration fee, investment fees and total ongoing fees applicable to your account are shown in the tables below:

Asset class	Core Administration fee (% pa) ¹	% pa charged by investment managers ²	Total ongoing fees (% pa)	Total ongoing fees (\$ pa)
Cash	0.3000	0.1900	0.4900	98.00
Australia Fixed Interest	0.3000	0.1900	0.4900	98.00
Property Securities	0.3000	0.1900	0.4900	98.00
Australian Shares	0.3000	0.1900	0.4900	98.00
International Shares	0.3000	0.1900	0.4900	98.00
Total annual fee ³			0.4900	490.00
Total annual fee (incl. expense recovery)	4		0.5000	500.00

- 1 The administration fee charged on managed investment holdings is net of RITC. Refer to 'RITC for managed investments' in the Fees and other costs section in the Guide.
- 2 These percentages are an average of the most recently published investment fees for the managed investments in the relevant asset class. See the List of Available Investment Options booklet and relevant underlying product disclosure statement for the current investment fees.
- 3 You won't actually see this whole amount deducted from your account, since investment fees are deducted from the unit price of your managed investments. However, the value of your account will effectively be reduced by this amount.
- 4 \$10 has been included for expense recovery.

Asset class	Core Administration fee (% pa) ¹	% pa charged by investment managers	Total ongoing fees (% pa)	Total ongoing fees (\$ pa)
Listed securities	0.40000	0.0000	0.4000	400.00
Total annual fee			0.4000	400.00
Total annual fee (incl. expense recovery)2			0.4100	410.00

- 1 The administration fee charged on listed securities includes GST of 10%.
- 2 \$10 has been included for expense recovery.

i 5. General information

What will happen if you no longer have a financial adviser?

You must have a financial adviser when you open your Asgard Infinity eWRAP Investment account. However, if you want to end the relationship, you must notify us immediately by taking the steps described below. Alternatively, if we become aware of an event that ends the relationship between you and your financial adviser, we'll notify you. In these cases, you can appoint a new financial adviser to manage your account. We encourage you to have a financial adviser to allow you to access all account features and to enable efficient processing of your investment instructions.

What do you need to do?

If you want to appoint a new financial adviser, you need to complete and return to us a 'Change of Adviser' form. If you want to end the relationship with your current financial adviser, but will not be appointing a new financial adviser at the same time, you will need to complete a 'Request to remove a financial adviser from an account' form. You can obtain both forms by contacting our Customer Relations team. It's important to complete the relevant form, to assist you in managing your adviser fee arrangements and deciding on who can access your account.

What happens if you don't appoint a replacement financial adviser?

If you don't appoint a new financial adviser, you will assume responsibility for managing your account directly.

Once we process your 'Request to remove a financial adviser from an account' form or, alternatively, after we have notified you that your relationship with your financial adviser has ended, some features of your account will automatically change (within a period that is appropriate in the circumstances or is required by law).

For example you will be:

- > able to provide investment instructions relating to managed investments, term deposits and (if you have a Custodial share account) listed securities, but only where you complete and lodge a form with us (the form is available through our Customer Relations team)*
- > unable to provide us with your corporate action elections if you have a Custodial share account

- > unable to access certain account functionalities, including:
 - automatically invest excess cash
 - automatically rebalance your account
 - regular buy
 - regular sell
 - regular deposit/direct debit plan
 - regular withdrawal plan
 - reinvestment of income distributions, and
- > unable to utilise the 'tax management' functionality described in the 'How Asgard Infinity eWRAP Investment works' section in this Guide. This will impact your ability to manage your capital gains tax position with respect to selling managed investments and listed securities held through your account.

More information

We have a policy that outlines how we deal with investors who don't have a financial adviser attached/linked to their account. You can access this policy free of charge by contacting our Customer Relations team. We may amend this policy from time to time and will notify you of any change to our policy that requires your consent.

Online broker

The Administrator is not a market or clearing participant of the ASX or a broker. Accordingly, an online broker has been arranged to provide a broking service in relation to your instructions to buy or sell listed securities. Listed securities are held directly or held in custody by the Administrator (the Administrator in turn holds the beneficial interest in the listed securities for you).

When instructions relating to listed security transactions are entered online, you authorise and instruct the Administrator to instruct the online broker to execute those instructions in respect of the listed securities These transactions will be reflected in your account.

The Administrator's agreement with the online broker, and the online broker's obligations as a market participant, require the online broker to endeavour to provide the best execution for these instructions. As the trading agreement is between the Administrator and the online broker, the online broker will not act on any instructions it receives directly from you in relation to the listed securities held in connection with your account.

^{*} If you have a Sponsored share account, you will not be able to provide instructions relating to listed securities unless you open a trading account with the online broker. Alternatively, to provide instructions, you can switch to a Custodial share account.

The administrator may, as the client of the online broker, be entitled to make a claim against the National Guarantee Fund under Part 7.5 of the Corporations Act, if the online broker becomes insolvent, makes an unauthorised transfer, or defaults on its obligations to settle a transaction. In general terms, the National Guarantee Fund is a compensation fund that may be available to guarantee the completion of certain failed sales and purchases of ASX listed securities, provided the transaction is a 'reportable transaction' entered into by a 'dealer' on behalf of a client (each as defined in the Corporations Act). Under the Corporations Act, if a person is entitled to claim, they must generally serve a written claim on the Securities Exchange Guarantee Corporation within six months after the day on which the person first became entitled to make the claim. If the Administrator makes a claim, it will pass on to you the benefit of any such entitlement or claim, net of any costs incurred in making that claim.

Keeping you informed

This table summarises how we communicate with you and how you can keep up to date with your account.

Investor Online	Access information on your account over the internet anywhere, anytime through Investor Online via https://investoronline.info . Once you've received your PIN, log on to Investor Online to view your:

Electronic notifications, eStatements and online communications

eStatements and online communications

You can view your correspondence, including reports, account actions and most letters, in the one secure location on Investor *Online* via https://investoronline.info.

If you choose to receive your correspondence online, instead of by mail, you can:

- > save time receive an eStatement notification email when something new is available
- reduce paper cut back on storage, clutter and help the environment
- > enjoy peace of mind knowing your reports are stored securely online

- > easily access your correspondence view, download or print anywhere, anytime, and
- > switch back to paper correspondence, free of charge at any time

You can make the choice to receive correspondence online when completing your application, by notifying your financial adviser, registering on Investor *Online* or calling us. As important information about your Asgard Infinity eWRAP Investment account may be sent to the email address you nominate in your application, it's important that you nominate a current and active email address and notify us immediately if the email address provided changes.

Refer to the 'Other information' section in the AIB for the terms and conditions applying to eStatements and online communications.

Electronic notifications and updated information

We may provide you with all information required or permitted to be given to you under the relevant law, including transactional and periodical statements, ongoing disclosure and product disclosure statements and supplementary product disclosure statements (or the equivalent information) for underlying managed investments (Information):

- where it is or may become permissible under relevant law, via your financial adviser in writing or notice by email or other electronic communication (including by making it available at Investor Online), and
- > directly:
 - by email (including emails containing a hypertext link), and
 - by other electronic communication (including documents containing a hypertext link or by making it available online at Investor *Online*).

> If you're:

- a new investor, by making an application to open an Asgard Infinity eWRAP Investment account, or
- an existing member, by giving an investment direction or switching request, using the Regular Buy functionality, or by you (or someone on your behalf) making further contributions, on or after the date of this Guide,

you agree that Information can be provided to you in any of these ways.

When we send you documents

You agree we may give you documents and other communications by any of the methods specified below including by sending them to any address for you, your financial adviser or your representative provided by you which we reasonably believe is correct. In this case, those documents and other communications are taken to be given if:

- > online, when available
- > sent by post (including a letter containing a reference to a website where the relevant documents or other communications can be found) three business days after posting
- > sent by fax, on production of a transmission report
- sent by email (including an email containing a hypertext link to one or more documents), one business day after the email is sent, or
- > given personally, when received.

You will also have access to the above information through your financial adviser and we may choose to send some or all of this information to you.

Disclosure documents for underlying managed investments

If we become aware that an interest in an underlying managed investment held by you is affected by a materially adverse change or a significant adverse event and it is something that would be required to be specified in a product disclosure statement for the managed investment, we'll give you (or you will have access to through Investor *Online*) an updated product disclosure statement, and any supplementary product disclosure statement, for the managed investment. Refer to the 'Electronic notifications and updated information' section and the 'eStatements and online communications' section above for more information. Where this occurs, you will be able to select a new investment option.

The purchase of managed investment may occur without you having been given the current product disclosure statement (including any supplementary product disclosure statement) for those managed investments (the 'missing document') if you give instructions to us to acquire an interest in the managed investments immediately or by a specified time. In this situation, the relevant 'missing document' must be provided to you as soon as practical and in any event by the fifth day after the purchase was made.

Please note:

- > the purchase of managed investments will continue under the arrangement until we receive instructions to the contrary, or the arrangement is terminated
- > we may (but we are not obliged to) cease to act on any instructions, including a Regular Buy instruction, if we are not reasonably satisfied that the relevant information has been provided or made available to you prior to investing.

Your rights when investing through this account are different to when investing directly

Investing through Asgard Infinity eWRAP Investment

Cooling-off rights will not apply

As a wholesale investor, Asgard is not entitled to any cooling-off rights when investing in the underlying financial products on your behalf. As the beneficial owner of the financial products, you will also not be entitled to any cooling-off rights. This is particularly important when considering investing in managed investments with limited liquidity as longer withdrawal periods and transaction fees will apply.

No direct voting rights

Your managed investments and listed securities (other than any listed securities in a Sponsored share account) are held in our name, as custodian for you. We are therefore the legal owner of these investments. Although you retain beneficial ownership, you won't be able to directly exercise any investor rights usually available to the legal owner, including the right to vote on company and scheme resolutions.

We won't exercise any voting rights in relation to your investments, unless we ask for and receive instructions from you. If we do ask for and receive instructions from you about exercising voting rights, we will generally exercise any discretion in accordance with your instructions.

We have a voting policy which contains more information about our voting practices. You can obtain a copy free of charge by contacting our Customer Relations team on 1800 731 812.

Investing directly

Cooling-off rights will apply

If you are a retail client, you may be entitled to a 14 day cooling-off period with respect to certain financial products such as managed investments. If you exercise your right within the cooling-off period, you can have your application money returned (subject to some adjustments such as in respect of fees and market movements).

Voting rights

As you are the legal and beneficial owner of your investments, you are free to exercise any investor rights available to the legal owner, including the right to vote on company and scheme resolutions.

Communications from investment managers

As your investments are held in our name (other than any listed securities held in a Sponsored share account), we receive various communications from investment managers and listed entities, such as annual reports, financial statements and notices about corporate actions.

You may elect to receive copies of these communications by writing to us.

Communications from investment managers

As your investments are held by you in your name, you will receive communications from investment managers and listed entities, such as annual reports, financial statements and notices about corporate actions that relate to your investments.

Withdrawal rights may not apply - Defective disclosure

The withdrawal rights usually available under the Corporations Act when a product disclosure statement/disclosure document is found to be defective or a disclosure condition in it is not met before the issue or sale of the related investment applied for, may not be available to you if you invest through Asgard Infinity eWRAP Investment. This means that the issuer of the investment may not be required to return the investment or provide you with other options such as notification of an option to withdraw in accordance with section 724 or 1016E of the Corporations Act.

Where practicable, we will communicate to your financial adviser where there is an option to withdraw and provide them with any accompanying disclosure (including supplementary or replacement disclosure) as soon as possible (but no later than 5 days from receipt of notification to us). We will also generally act on any instructions received as to how to exercise the withdrawal option.

Any withdrawal rights that may be available may also be affected where you invest through Asgard Infinity eWRAP Investment rather than directly and a redemption is offered on a scaled-back basis, for example, where the investment is 'illiquid'. This may result in you receiving a lesser amount where your investment through Asgard Infinity eWRAP Investment is pooled with that of other Asgard Infinity eWRAP Investment investors and, for example, the distribution of the scaled-back amount differentiates between different investment amounts.

Withdrawal rights apply - Defective disclosure

Withdrawal rights under the Corporations Act will usually be available and may be exercised by you when a product disclosure statement/ disclosure document is found to be defective or a disclosure condition is not met before the issue or sale of the related investment that you applied for directly. You will be notified directly by the product issuer of any option to withdraw and provided with any accompanying disclosure (including supplementary and replacement disclosure).

Addressing your concerns

How do you give feedback or lodge a complaint?

If you have a concern or complaint about Asgard Infinity eWRAP Investment that you cannot resolve with your financial adviser, please call our Customer Relations team on 1800 731 812. If we are unable to resolve your concerns over the phone, we will escalate the matter to our Complaints Officer. Alternatively, you can outline your complaint in writing to:

The Complaints Officer PO Box 7490 Cloisters Square WA 6850

The Complaints Officer will acknowledge the receipt of your complaint and endeavour to resolve the matter within 45 days of receiving your complaint.

If you have a concern or complaint regarding an investment acquired through Asgard Infinity eWRAP Investment, please approach us using the contact details above. We can help to direct your complaint or facilitate a resolution with the relevant product issuer.

If you have a concern or complaint about your financial adviser or the financial product advice you have received, please approach the Australian financial services licensee for whom your financial adviser was acting.

Asgard Infinity eWRAP Investment

Application booklet

14 December 2020

Asgard

This page has been left blank intentionally.

How to proceed?

The below table outlines the forms included in this application booklet and when you need to complete them.

Forms	When to complete?								
Asgard Infinity eWRAP Investment application	This form needs to be completed if you wish to open an Asgard Infinity eWRAP Investment account.								
Advice Fee Client Consent	Provide your consent to pay advice related fees. This includes ongoing advice fees, optional feature fees and/or one-off advice fee and/or adviser establishment fee for advice related services to be provided to you in relation to your Asgard account.								
CASH Connect Account signature card	You need to complete this form, if in section 6 of the Asgard Infinity eWRAP Investment application, you selected to open your Asgard Infinity eWRAP Investment account with a CASH Connect Account.								
	Each signatory on the account must sign this form.								
Reference from an acceptable	You need to complete this form if:								
referee (S21)	 in section 6 of the Infinity eWRAP Investment application, you selected to open your Asgard Infinity eWRAP Investment account with a CASH Connect Account, and 								
	 you do not have a St.George or BankSA account for which you have already been identified. 								
Direct Debit Request	You need to complete this form if, in section 14 of the Asgard Infinity eWRAP Investment application, you selected to set up regular deposits into your Cash Account via a direct debit arrangement.								
Share trading application	You need to complete this form if you completed Section 12 of the Asgard Infinity eWRAP Investment application as follows:								
	 you wish to trade/hold listed securities through your new Asgard Infinity eWRAP Investment account, and 								
	• the share account type you selected is a Sponsored share account.								
CHESS Sponsorship transfer form – Broker-sponsored	You need to complete this form if you completed section 12 of the Asgard Infinity eWRAP Investment application as follows:								
	 you wish to trade/hold listed securities through your new Asgard Infinity eWRAP Investment account, and 								
	the share account type you selected is a Sponsored share account, and								
	 you wish to transfer an existing HIN to your account. 								

Unless otherwise defined, terms used in the application booklet have the same meaning as in the Asgard Infinity eWRAP Investment Financial Services Guide (and IDPS) (**Guide**).

Guide to completing the Asgard Infinity eWRAP Investment application

If you'd like to open an Asgard Infinity eWRAP Investment account, you are required to be aged 18 years or older and need to complete each relevant section of the application. Your financial adviser may submit your application electronically using AdviserNET, or the application in this application booklet can be completed and sent to us.

1. Existing account details

If you have an existing account that is in **exactly the same** name as this account, complete this section and your existing account details will be applied to this account, and you don't need to complete section 2.

2. New account details

If you have not completed section 1, you will need to complete the corresponding parts of this section depending on your investor type.

Partnerships – we're unable to set up partnership accounts. You may be able to apply as a joint or company applicant.

Trusts – if you have a trust deed, choose 'Trust' as the account type. The account name should reflect the actual name of the Trust Deed. We're unable to accept trusts that have more than five trustees.

3. TFN/ABN

If you choose to provide your Tax File Number (TFN) or Australian Business Number (ABN), you'll need to provide:

- your full name,
- your TFN/ABN or, if you're exempt from having to provide a TFN/ABN, the exemption code identifying the reason.

If you're a pensioner, you'll need to advise the pension exemption code (if known). If you're a trust, you should supply the TFN/ABN of the trust. If you're an organisation not required to lodge a tax return, you'll need to quote the code 'NL'. Any TFN/ABN information supplied on your application will be automatically applied to all future investments in your account.

You're not obliged to provide your TFN or ABN, but if you don't and you're not exempt, tax may be deducted at the highest marginal rate plus Medicare levy from any dividend, interest or other income arising from your investments and interest income on your Cash Account. You will also not be eligible to access the Custodial share account. If you have a joint account, this will apply should either applicant not provide a TFN and that applicant not be exempt. Any TFN withholding tax deducted will be remitted to the Australian Taxation Office and will be shown on your Annual Tax Report.

For more information about the use of TFNs/ABNs, contact your local Australian Taxation Office.

4. Residency details

Provide all residency details. If you do not reside in Australia, Asgard may decide not to accept any instructions from your financial adviser to buy managed investments. If you're not an Australian resident for tax purposes, you must include your country of residence. Non-residents are not eligible to access or continue to hold the Custodial share account. A joint account is a non-resident account if at least one applicant is non-resident.

5. Optional account features

In this section you can customise the features of your Infinity account. If you don't select any optional features, then the Core account features will apply

6. Authority to operate

Indicate if your financial adviser will have an authority to operate your Infinity eWRAP account.

7. Cash Account

Select your Cash Account option or provide the details of an existing eCASH or CASH Connect Account in **exactly the same name** as this account that you wish to use as the Cash Account for your Infinity eWRAP account. If you wish to link an existing Cash Account, it cannot already be linked to an Infinity eWRAP Investment account or eWRAP Investment account.

CASH Connect

If you choose a CASH Connect Account, each signatory must sign the signature card (included in this application booklet).

Each signatory must also complete a reference from an acceptable referee (included in this application booklet) or provide details of a current St.George or BankSA account for which they have already been identified (see the supporting documentation checklist in this booklet for the rules that apply in this case). You may also need to send copies of supporting documentation to us with your application. The supporting documentation checklist in this booklet details the requirements.

If there's more than one signatory, indicate the method of operation that applies to CASH Connect Account transactions initiated by you:

- 'one to sign' one person can initiate withdrawals and CASH Connect Account amendments,
- 'two to sign' two people must initiate withdrawals or CASH Connect Account amendments. If you choose this option, you cannot have card access and you won't be given access to Phone and Internet Banking.

Note: The method of operation you choose only applies to withdrawals and account amendments in relation to your CASH Connect Account. It does not apply to your Infinity eWRAP account.

If you have a personal, joint or company account with 'one to sign', indicate whether you want card access. Trust and Superannuation Fund/Approved Deposit Fund accounts cannot have card access.

8. Phone and Internet Banking

If you have an existing eCASH Account or CASH Connect Account in **exactly the same name** as this account and would like to access information on these accounts through Phone and Internet Banking using your existing Phone and Internet Banking access number and security number, provide the details of your existing Cash Account in this section. If you choose this option, you won't be sent a new Phone and Internet Banking access number or security number for this Cash Account. You'll use your existing Phone and Internet Banking access number and security number.

9. Account password

Please provide an initial account password that will be used to identify you when you make enquiries about your account and a password prompt to help us remind you of your password if you forget it.

For security purposes you should change your account password and prompt on Investor Online once you've received your logon details from us.

10. Nominated bank account

This section must be completed if you choose an eCASH Account, but is optional (although highly recommended) if you choose a CASH Connect Account. Your nominated bank account will be linked to your Cash Account to facilitate cash transfers.

You can also give your financial adviser an authority to transfer cash from your Cash Account to your nominated bank account. See section 12, 'Authority to transfer cash'. Your nominated bank account must be held in the same name as your Cash Account.

11. External linked accounts

Provide the details of other financial institution accounts (in addition to your nominated bank account) to which you would like your financial adviser to be able to transfer funds using AdviserNET. (If you want to be able to transfer funds to these accounts using Phone and Internet Banking, you will need to logon to Internet Banking and set them up as third party accounts).

12. Authority to transfer cash

You can give your financial adviser authority to transfer cash from your Cash Account to your nominated bank account, any external linked accounts and any other Cash Accounts held under the same client number, using AdviserNET. This means that your financial adviser can initiate one-off or regular cash transfers without you needing to sign each instruction prior to your financial adviser electronically submitting it to us.

If you don't give an authority to transfer cash, you'll need to sign each instruction for one-off or regular cash transfers before they are submitted by your financial adviser.

13. Share trading

This section must be completed in order to trade/hold listed securities through your Infinity eWRAP account. You must also have nominated a share account in section 5. You need to indicate how you want your listed securities to be held. You can choose between a:

- Sponsored share account listed securities will be held in your name, or
- Custodial share account listed securities will be held in our name.

Under the Sponsored share account, you can choose to receive a new Holder Identification Number (HIN) or you can transfer an existing HIN (this must be in the same name as your account). If you want to transfer an existing HIN, you'll need to complete the CHESS Sponsorship transfer form – Broker sponsored which is provided in the application booklet. For Custodial share accounts, you will be issued with a new HIN and, if you wish to transfer listed securities, you will be required to complete a standard offmarket transfer form for each share holding.

If you are setting up a Custodial share account, you will need to nominate whether you wish to receive dividends as cash or have them reinvested under a Dividend Reinvestment Plan (DRP). Please note that your dividend election will apply across all listed securities held in your account.

If you have selected a Sponsored share account, you will need to complete the Share Trading Application Form (included in this booklet) to set up a share trading account with Australian Investment Exchange Limited (AUSIEX) for your Account. Please refer to the Infinity eWRAP Investment Financial Services Guide (and IDPS guide (the guide)) for full terms and conditions of this share trading account.

If you have selected a Sponsored share account there are some additional Identification information that AUSIEX requires for Anti-Money Laundering verification, please ensure you complete these details in section 1, the fields are marked 'required for sponsored share accounts only'.

You can also choose the tax parcel selection method that is applied to the sale of listed securities in your account.

14. Reports and information

Indicate whether your preference for receiving reports and correspondence is online or by mail.

15. Initial deposit

Initial deposit

Enter the amount of your initial deposit into your Cash Account. It's important to note that depositing funds electronically may be more efficient than a cheque. If you'd prefer to deposit initially by cheque, make your cheque(s) payable to Infinity eWRAP Investment—name of investor (for example, John Smith Pty Ltd) and cross it 'not negotiable'. If you'd like us to arrange a direct debit deposit on your behalf, complete the Direct Debit Request.

16. Regular direct debit deposits

If you wish to make regular direct debit deposits from a bank account into your Cash Account, complete this section. You must specify the amount you wish to deposit and the frequency of the required deposit.

You must also complete the Direct Debit Request in the application booklet and forward the original with your application. You can only have one Direct Debit Request for each account. Therefore, if you also want to make an initial deposit by direct debit, it must come from the same bank account.

17. Adviser's details and declaration

Your financial adviser will complete this section. Under the Anti-Money Laundering and Counter-Terrorism Financing Act, your financial adviser is required to verify your identity. The verification procedure is outlined in this booklet.

18. Certification of US Tax Status

We are required to identify certain US persons in order to meet account information reporting requirements under local and international laws. If you meet the criteria outlined in this section, you will need to contact us on 1300 725 863.

19. Acknowledgements

Read the 'Investor acknowledgements and authorities', in the eWRAP Investment Additional Information Booklet and the Cash Account Product Disclosure Statement (PDS) carefully and then sign the application.

The application must be signed personally by all applicants. If the applicant is a company, the application must be executed in accordance with the company's constitution.

Applications may be signed or executed by individuals or companies under power of attorney. Where the applicant signs under power of attorney, a certified copy of the relevant power of attorney must be enclosed with the application. Your power of attorney can be certified by a Justice of the Peace, a Commissioner for Declarations or your solicitor.

Where to send completed forms

Your completed application should be forwarded to your financial adviser for submission to us.

Notes for Sponsored share account:

• If you have selected a Sponsored share account, you will need to complete the share trading application form to set up a share trading account with Australian Investment Exchange Limited (AUSIEX) for your Account. Please refer to the Infinity eWRAP Investment Financial Services Guide (and IDPS Guide) (the Guide) for the Terms and Conditions of this share trading account.

Reinvest (DRP)

13. Share trading (continued)

Notes for Custodial share account:

- A Custodial share account fee of \$300 pa (incl. GST) applies from the day your Custodial share account is set up even if there are no listed securities held through your account. This is not currently charged but we may choose to charge this fee in the future.
- You will be issued with a new HIN (you cannot transfer an existing HIN). If you wish to transfer listed securities you already hold to your share account, you will need to complete the standard off-market transfer form for each individual shareholding you're transferring. You can obtain this form through your financial adviser.
- The dividend election will be applied across all share holdings in your account. Where reinvesting (DRP) is not available for a share, the dividend will be paid into the Cash Account. You will need to allow sufficient time for share registries to process any changes to a dividend election prior to their cut-off time.

I confirm that:

- I have conducted the relevant customer identification procedure in line with the obligations under AML/CTF Law, and:
 - I have attached the necessary certified proof of identity documents with the application; or
 - I have sighted and retained copies of the necessary certified proof of identity documents as recorded in the 'Verification procedure' table in this booklet;
 - I have obtained the additional information that is required for sponsored clients only and the information is true and correct;

Please note:

- Refer to the relevant 'Verification procedure' table at the front of this booklet for details on acceptable forms of ID documents and the requirements for verification; and
- If more than 2 documents are required to verify the customer(s), please provide required details (as per the below table) on a separate sheet. Refer to the Record of Verification of the relevant FSC/FPA identification form.

18. Certification of US Tax Status

We are required to identify certain US persons in order to meet account information reporting requirements under local and international laws.

If you or (where you are applying on behalf of an entity) the entity and/or any office bearer* of the entity and/or any individual who holds an interest in the entity of more than 25% (a Controlling Person) are a US citizen or US tax resident, you must telephone 1300 725 863 at the time of completing this application. When you contact us you will be asked to provide additional information about your US tax status and/or the US tax status of the entity and/or any Controlling Person which will constitute certification of US tax status for the purposes of this application.

Unless you notify us that you or (where you are applying on behalf of an entity) the entity and/or any Controlling Person are a US citizen or US tax resident as specified above, by completing this application you certify that you or (where you are applying on behalf of an entity) the entity and/or any Controlling Person are not a US citizen or US tax resident.

If at any time after account opening, information in our possession suggests that you, the entity and/or any Controlling Person may be a US citizen or US tax resident, you may be contacted to provide further information on your US tax status and/or the US tax status of the entity and/or any Controlling Person. Failure to respond may lead to certain reporting requirements applying to the account.

*Director of a company, partner in a partnership, trustee of a trust, chairman, secretary or treasurer of an association or co-operative.

19. Acknowledgements

I/We:

- confirm that, at the time this application was given to me/us, I/we were given access by the same means to (or a paper copy of) the
 current (as confirmed by my financial adviser) Asgard Infinity eWRAP Investment Financial Services Guide and IDPS Guide (consisting
 of the Guide and the Additional Information Booklet (the Guide)) and any Supplementary Financial Services Guide/IDPS Guide (Guide),
 accompanied by the current Cash Account PDS and any Supplementary Cash Account PDS, which I/we have read and understood;
- agree to be bound by the Custody Service Deed dated 31 May 2002, as amended from time to time, the other terms and conditions
 applying to my/our account set out in the Guide, the CHESS sponsorship terms and conditions (if you choose a Sponsored share account)
 set out in the Guide and the Cash Account terms and conditions in the Cash Account PDS, as each of them may be amended from time
 to time:
- acknowledge that Asgard is the custodian for this eWRAP Infinity Investment Account. This means that my/our investments (other than
 listed securities held under a sponsored share account) are held in Asgard's name, as custodian for me/us. Asgard is therefore the legal
 owner of these investments:
- acknowledge and consent to the use of omnibus accounts by Asgard in its capacity as custodian. Asgard uses pooling arrangements, under which assets are held in omnibus accounts. The use of omnibus accounts to hold financial assets is common industry practice.
 Assets held through an omnibus account are held in the name of Asgard, rather than in individual accounts for each underlying client.
 Records are maintained to allow clear identification of the quantity of assets held for a client through the omnibus account:
- (if you choose a Sponsored Share account) instruct Asgard, after acceptance of my/our application, not to send me/us a further copy of the CHESS sponsorship terms and conditions or a copy of the executed Sponsorship Agreement;
- expressly acknowledge the 'Important information' section of the Guide;
- give the Investor acknowledgements and authorities as described in the 'Other information' section of the AIB;
- · confirm all details in the application are true and correct;
- agree to receive any communications (including any confirmation of any transaction or dealing, notice of material changes and significant events and other information I/we may request) and documents (including product disclosure statements for underlying managed investments and periodic reports) which Asgard or St.George is required or permitted to give, or has agreed to give, to me/us relating to my/our account via Investor *Online*, or any other electronic means chosen by Asgard or St.George (and for these purposes, I/we agree I/we will be taken to have received the relevant information whether or not I/we access the information);
- I agree to receive information concerning transactions and holdings through my account electronically in lieu of receiving a quarterly report;
- acknowledge that by investing through this account, I/we do not have access to some of the rights and entitlements that would otherwise
 be available to us as a retail investor if I/we invested in the underlying financial products directly;
- understand that this includes not having the same rights as direct retail investors or not having access to cooling-off rights, withdrawal
 rights and voting rights;
- have read and understood the information about these rights in the section: 'Your rights when investing through this account are different
 to when investing directly' in the 'General Information' section of the Guide; and
- acknowledge that I/we have read and understood the information in the section: 'What will occur if you no longer have a financial adviser'
 in the 'General information' section of the Guide, and that I/we may be adversely affected if I/we no longer have a financial adviser to
 provide financial product advice or act on my/our behalf in relation to my/our investments held through this account.

Notes of guidance for completing this form

An Identification Reference must be signed in the presence of an Acceptable Referee

An Identification Reference is to be provided for each signatory to an account and comprises a written and signed reference by a person within a specified class of Acceptable Referees, declared by the Minister by Notice in the Gazette on 6 November 2002 in GN 44 (see list below).

The reference must set out the name used by the signatory in relation to the account and must state that:

- The referee has known the signatory for the period specified in the reference (being a period of at least 12 months);
- During the whole of that period, or for so much of that period as is specified in the reference, the signatory has been commonly known by that name; and
- · The referee has examined:
 - a specified primary identification document for the signatory in that name: or
 - a specified secondary identification document for the signatory in that name and a specified primary identification document for the signatory in a former name of the person; or
 - only a specified secondary identification document for the signatory in that name.

Primary Identification Documents are:

- · birth certificate;
- citizenship certificate;
- international travel document:
 - current passport;
- expired passport which has not been cancelled and was current within the preceding 2 years;
- other document of identity having the same characteristics as a passport (e.g. this may include some diplomatic documents and some documents issued to refugees).

Secondary Identification Documents are documents (other than a primary identification document) which establish the identity of the signatory e.g. Australian driver's licence.

Please Note: Primary and Secondary Identification Documents must have at least one given name plus surname in full (not initials).

Warning: It is an offence under section 21 of the *Financial Transaction Reports Act* 1988 to make a false or misleading statement.

Direct Debit Request Service Agreement

This agreement sets out the terms on which we accept and act under a Direct Debit Request (DDR) you give us to debit amounts from your account under the Bulk Electronic Clearing System (BECS). It is additional to the arrangement under which you make payments to us.

Asgard Capital Management Ltd ABN 92 009 279 592 ('we' or 'us'), User ID: 016103

You have entered or are about to enter into an arrangement under which you make payments to us. You want to make those payments by use of the BECS.

Ensure that you keep a copy of this agreement as it sets out certain rights you have against us and certain obligations you have to us due to giving us your DDR.

When we are bound by this agreement

1. We agree to be bound by this agreement when we receive your DDR complete with the particulars we need to draw an amount under it.

What we agree to and what we can do

- 2. We only draw money out of your account in accordance with the terms of your DDR.
- 3. We do not give you a statement of the amounts we draw under your DDR.
- On giving you at least 14 days notice, we may: change our procedures in this agreement; change the terms of your DDR; or cancel your DDR.
- 5. You may ask us to: alter the terms of the DDR; defer a payment to be made under your DDR; stop a drawing under your DDR; or cancel your DDR by emailing client.support@asgard.com.au or writing to Asgard, PO Box 7490, Cloisters Square WA 6850. We will require a new direct debit form if you are changing your financial institution or where you have deferred a direct debit for more than three months.
- 6. You can dispute any amount we draw under your DDR by calling our Customer Relations team on 1800 998 185; or emailing client.support@asgard.com.au or writing to Asgard, PO Box 7490, Cloisters Square WA 6850.
- 7. We deal with any disputes under Clause 6 of this agreement as follows. We and our bank review our respective records. If necessary we contact your financial institution to review its records. We advise you and your financial adviser in writing within two to four weeks, depending on the nature and extent of the dispute, and the measures taken to resolve it.
- 8. If the day on which you must make any payments to us is not a business day, we will draw on your account under your DDR on the first business day following that day.
- 9. If your financial institution rejects any of our attempts to draw an amount in accordance with your DDR, we contact you and your financial adviser in writing. After three consecutive rejections we advise you and your financial adviser in writing that you can no longer make payments by direct debit. Should we purchase managed investments on your behalf with the proceeds of the DDR, and your financial institution does not honour the DDR, managed investments may have to be sold. We cannot be held responsible for the effect of this buying and selling.
- 10. We will not disclose to any person any information you give us on your DDR, which is not generally available, unless: you dispute any amount we draw under your DDR and we need to disclose any information relating to your DDR or to any amount we draw under it to the financial institution at which your account is held or the financial institution which sponsors our use of the BECS or both of them; you consent to that disclosure; or we are required to disclose that information by law.

What you should consider

- 11. Not all accounts held with a financial institution are available to be drawn on under the BECS.
- 12. Before you complete your DDR, it is best to check account details against a recent statement from your financial institution to ensure the details on your DDR are completed correctly.
- 13. If you are uncertain when your financial institution processes an amount we draw under your DDR on a day which is not a business day, enquire with your financial institution.
- 14. It is your responsibility to ensure there are sufficient cleared funds available in your account, by the due date on which we draw any amount under your DDR, to enable us to obtain payment in accordance with your DDR.
- 15. We request you to direct all requests to stop or cancel your DDR to us initially and all enquiries relating to any dispute under Clause 6 of this agreement to us initially or your financial institution.

- 5. I/We, the Applicant/s, acknowledge and agree that all confirmations are to be sent electronically to my/our email and where the confirmation is posted, that a charge will apply.

- 6. I/We authorise the Participant to accept instructions on my/our behalf from my/our adviser and confirm that my/ our adviser has the power to do the following in my/our name and on my/our behalf from time to time:
 - (a) to have access to, receive, and enquire about information pertaining to an account,
 - (b) to acquire, buy, deal with and dispose of, or sell any financial products,
 - (c) to provide authorisation to make and receive payment for any financial products transactions and attendant expenses by any means whatsoever and to give a goods receipts and discharges for the proceeds and sales on financial products and other monies,
 - (d) to execute all contracts and other documents necessary or proper for the custody, dealing and transfer of financial products and related matters,
 - (e) to receive, hold, or arrange custody of evidence or title to financial products, and
 - (f) to exercise all rights, obligations, duties, and privileges now and in the future with regard to transacting in financial products that pertain to me as the holder of financial products.
- 7. I/We accept that my/our adviser has access to all information relating to transactions undertaken in relation to dealings with the Participant.
- 8. I/We acknowledge that my/our adviser or the Adviser's named licensee may delegate the authorisation in clause 6 above to persons nominated by the Licence Holder from time to time.
- 9. I/We, the Applicant/s, declare that I/we have the legal capacity to make these declarations, accept the conditions and enter into the agreements referred to in the points above.
