Subject: Electro-Mechano 8" Drilling Machine - \$150.00 Rebate Offer

Electro-Mechano 8" Drilling Machines have an outstanding record for premium quality, dependability, and superior performance. Since 1947, our machines have been rated No. 1!

The compelling message is simple and powerful – the features are:

- Four models for high speed precision drilling from .004" to 5/32"
- Variable speed control from 1,000 to 15,000 RPM
- Uncompromised accuracy-quill deflection .001" max.

As an added incentive and to gain your attention, we will send your company a **\$150.00 rebate check** for each 8" complete drilling machine ordered between now and December 1, 2013. Checks will be issued at the time of shipment.

Good luck and best regards,

Michael N. Cavaluzzi
President

P.S. The enclosed ad reprint appeared in the April 2013 issue of Modern Machine Shop Magazine.
