

November 2018

Dear Friends,

I was amazed as Adams County deputies poured into the restaurant to eat and hear a gospel message in the Denver area. They were all on duty and we had an hour to feed them and share the gospel with them. We had a group of 29 in the small back room of the restaurant, and I was able to tell them how they could find forgiveness of their sins and be reconciled to God through Jesus Christ. They listened intently as I spoke.

Brian Thompson, who is a chaplain, pastor and deputy was there to help us with follow up and discipleship for the deputies that want spiritual help.

I am amazed how God is continuing to give us opportunities to minister to police in this country. So far this year we have ministered to over 500 officers in 40 outreaches here in Colorado

and 3 outreaches in New Jersey. Most of the officers who attend our events are not believers. I am grateful that God is giving us the opportunity to proclaim the gospel to them.

Steve Dalbey and I met with two retired Denver Police Department officers who are believers and who want to help us start a lunch outreach to police on that department. There are about 1400 police officers on the department and I have been praying for years for the opportunity to minister to them.

Pray that God will use us to continue reaching more law enforcement officers for Christ here in the USA. We also have opportunities to expand to other states but need God to provide the resources and staff members to help us with that.

Thank you for your prayers and financial support as we proclaim the gospel and make disciples as Jesus commanded us to do. May God continue to bless you in every way.
